Easter is a time of joyful celebration: 50 days of celebration! We must remember that Easter is not just one day. The Church reminds us that Easter is not just celebrated on April 8th, but in fact is 50 days long, celebrating the life of Jesus, His Resurrection, and His Ascension. The Easter season is a time for us to focus not on the Easter bunny or chocolate eggs (even though they are very tasty), but rather it is a time for us to focus on the promise Jesus made for us. We must focus on prayer and thanksgiving for all the beautiful blessings our Heavenly Father has given to us. Let us pray this Easter season for our family, our friends, our parish, our community, and for all those people in the world that need our prayers. Amen.
