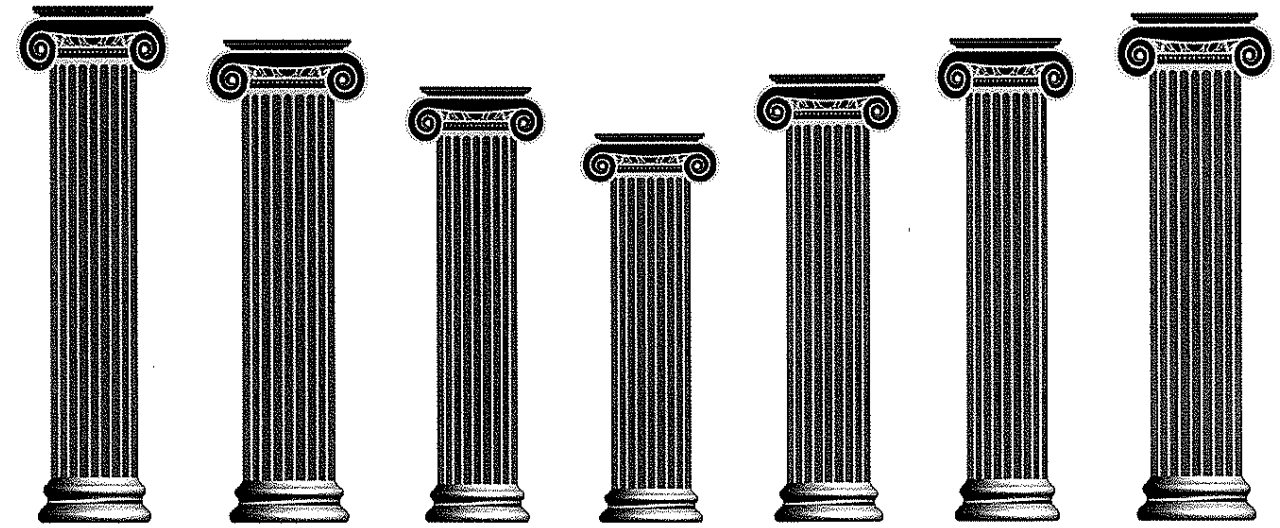
Seven Pillars of Catholic Spirituality



Reconciliation | Contemplation | The Mass | The Bible | Fasting | Spiritual Reading | The Rosary

MAY 3 – 7 PM, SULLIVAN HALL

The Seven Pillars of Catholic Spirituality that we will be discussing combine 2000 years of spiritual wisdom into a handful of spiritual exercises. These Seven Pillars are common to the lives of the saints. If we apply these practices to our own lives, we can grow in holiness.

Our spiritual heritage is rich in wisdom and practice. If we can embrace the spiritual heritage and adapt it to the modern context, we will begin to thrive as the spiritual people God intended us to be. Matthew Kelly, *Rediscovering Catholicism)*

You are invited to learn how to implement these Seven Pillars in your life as we watch Matthew Kelly's DVD. Large group discussion will follow the DVD presentation. All are welcome to attend!

PARISH NURSE NOTES: Itøs spring and the asparagus will be here soon! Asparagus is packed with nutrients that support cardiovascular health. 8 spears contain 16% of your daily need for folate, a B vitamin. Foliate helps lower blood homocysteine levels. This decreases the risk for stroke and heart disease. Asparagus supplies rutin, a flavonoid thought to help strengthen blood vessel walls. Another antioxidant helps regulate the action of several antioxidants such as Vitamin E. All this in one serving of asparagus! Try adding asparagus to an egg dish for breakfast or salad for lunch. It makes an attractive appetizer or side dish for Easter dinner. If you already love asparagus, try a vegetable you have not tried before ï maybe try brussel spouts.
