ABORTION CLINICS IN MARYLAND TO BE REGULATED –

THANK YOU! Thank you to the nearly 1,000 Catholics who contacted the state through the Catholic Advocacy Network urging that strong abortion clinic regulations be adopted. While no woman should ever have to resort to ending her unborn child's life through abortion, the regulations will go a long way to protect the health and safety of women undergoing surgical abortions in Maryland. Thank you. Visit the Maryland Catholic Conference at www.mdcathcon.org/abortion for more info.

ST VINCENT DE PAUL: In the Gospel Jesus tells his disciples, "Come away by yourselves to a deserted place and rest a while." Vincent de Paul, a great man of action, was also a contemplative. PARISH NURSE NOTES: Seniors and brain injuries

Though he stumble, he will not fall, for the LORD upholds him with his hand. Psalm 37:24 In the senior population, the majority of traumatic brain injuries are contributed to falls because of problems with balance and vision. Some symptoms of brain injuries are similar to those of a stroke, so question the person about any recent falls or injuries when assessing a situation. To prevent falls, encourage the person to strengthen his/her gait through exercise. Assess the home for safety issues; remove throw rugs, install grab bars in the bathroom, and check for adequate lighting. Check medications for side effects of confusion which might result in a fall. Safety measures are important for the prevention of brain injury.
