The 2019 Pacific Air Forces Big Mahalo Bash event on Thursday, October 10th at Bellows AFS beach site was a success because of you! **Thank you so much** for supporting the U.S. Airmen and their families with your prizes and donations. They were really amazed by your support and generosity!

Over 18 AFCAC members showed up to serve on the lunch line –a local buffet lunch with local jawaian music, fun and friendship were the agenda for the day. Your generosity provided a kids “goodie bag” for all kids of all ages – even the teens were wowed when they got a *Tiki’s Frisbee* or a *Guaranteed Rate beachball* with Dave & Busters’ coupons!

The AFCAC group couldn’t have shown the depth of our appreciation to the airmen and their families for their ongoing service to our country without your contributions. You made them feel honored and special. **Thank you for making it possible!**

Here are a few photos from the event for your enjoyment.

On behalf of AFCAC and our Mahalo Bash Committee, thank you for making this event a success!
