Sagebrush Steakhouse has made every effort to ensure that the nutritional information provided is accurate and complete. This nutritional analysis is comprised of data combined from Sagebrush suppliers, the United States Department of Agriculture and the ESHA Nutrition Database. Some menu items may not be available at all locations: test products, test recipes, limited time offers or regional items may not be included. While menu item ingredient information is based on standard product recipes, variations may occur based on specific requests, ordinary differences inherent in the preparation of menu items, seasonal availability and regional suppliers. This listing is periodically updated in an attempt to reflect the current status of our products.
