West to Wyoming

August 19-27, 2018 • 9 Days

Day 6 Fri. Aug 24 Experience the thrill of a Grand Teton Float Trip. This lazy, relaxed float trip is narrated by an expert guide sharing facts & knowledge of the area. The peaceful mountain range surrounds us – we're bound to see a bald eagle or a group of elk grazing along the river. This afternoon enjoy free time in Jackson Hole, then tonight travel by horse-drawn covered wagons into the Beautiful Cache Creek Canyon for a dutch-oven dinner prepared over an open campfire. Go thru the chow line, then sit back & enjoy good cowboy music. Later we'll follow the setting sun back into Jackson Hole, like the cowboys did. **(D)**

Day 7 Sat. Aug 25 Our 'old west' adventure continues today as we travel into Wyoming's Wind River Canyon. This territory has some of Wyoming's highest mountain ranges. We'll visit the Wind River Heritage Center, showing exhibits of Wyoming's wildlife, plus feature a collection of how trapping was done in the 1800's. Lodging tonight will be at the Wind River Hotel & Casino.

Day 8 Sun. Aug 26 Today we start our way back towards home. As we trek through Nebraska we'll travel the Western Trails Scenic Historic Byway. As the pioneers traveled west across this land they stared in wonder at the towering geologic formations along this 144 mile route. Today you'll experience these spires of the prairie, including a visit to Chimney Rock National Historic Site. We travel into North Platte, NE, our home for this evening. This evening we'll enjoy a 'farewell' dinner at one of the local's favorite restaurants. **(B,D)**
