

Voice Recorder

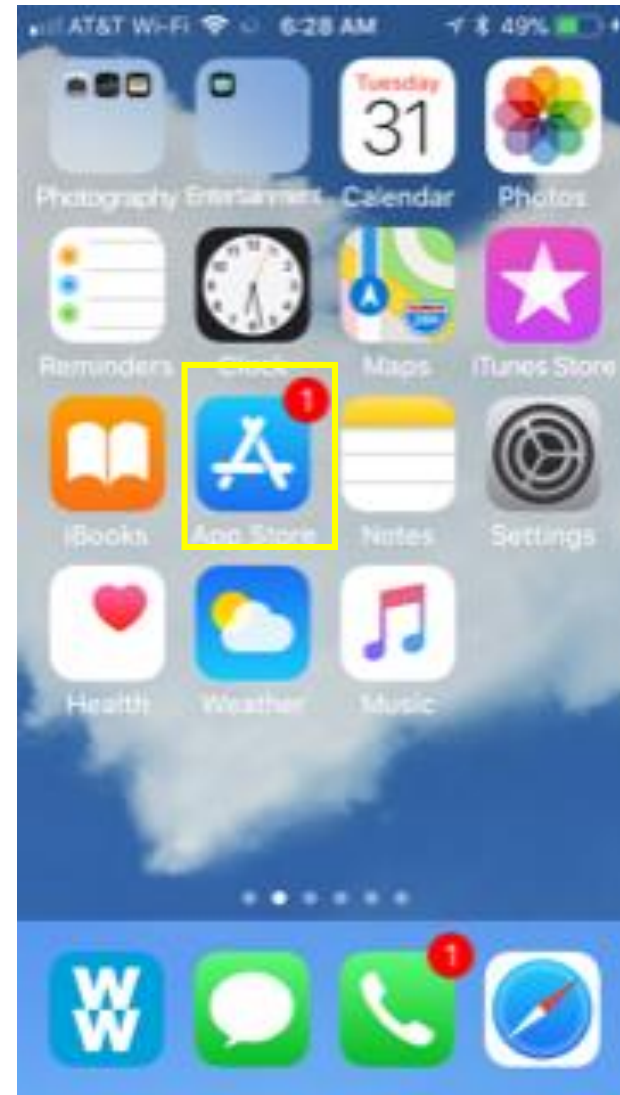

Free App available for iPhone, iPad and Android Devices

Voice Recorder & Audio Editor Highlights

- Rated best audio recording app
- 100% Free
- No time limit on file size, although I did read in the reviews that if a recording is over 21 minutes you need to split into multiple recordings due to file size limits to email
- Available to download from iTunes
- Compatible with iPhone, iPad, iPod Touch
- Paid version allows transcribe recording
- Upload recordings to iCloud drive, drobox, google drive, OneDrive
- Transfer records by USB cable or WiFi Sync to your desktop computer
- Share recordings by email, text message, facebook, twitter, snapchat, outlook

iPhone, iPad or iPod Touch: Installing the App

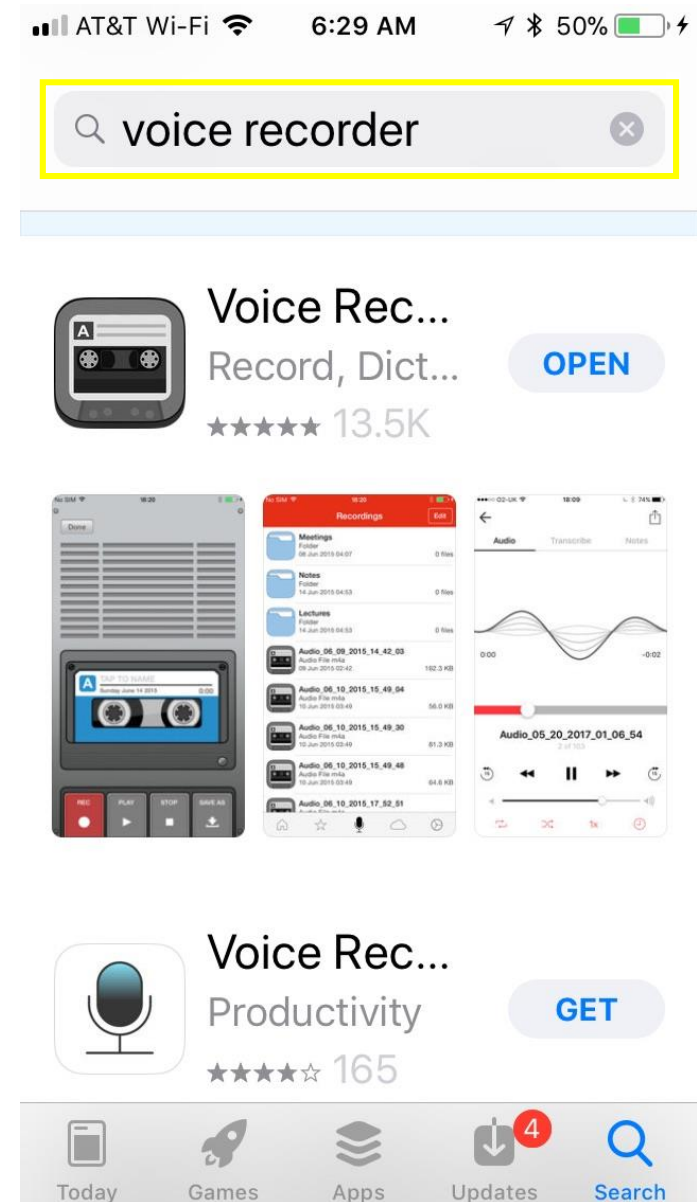

Look for the App Store App on your phone. It might be on your home screen or in another folder.

iPhone, iPad or iPod Touch: Installing the App

From the Search Menu type Voice Recorder

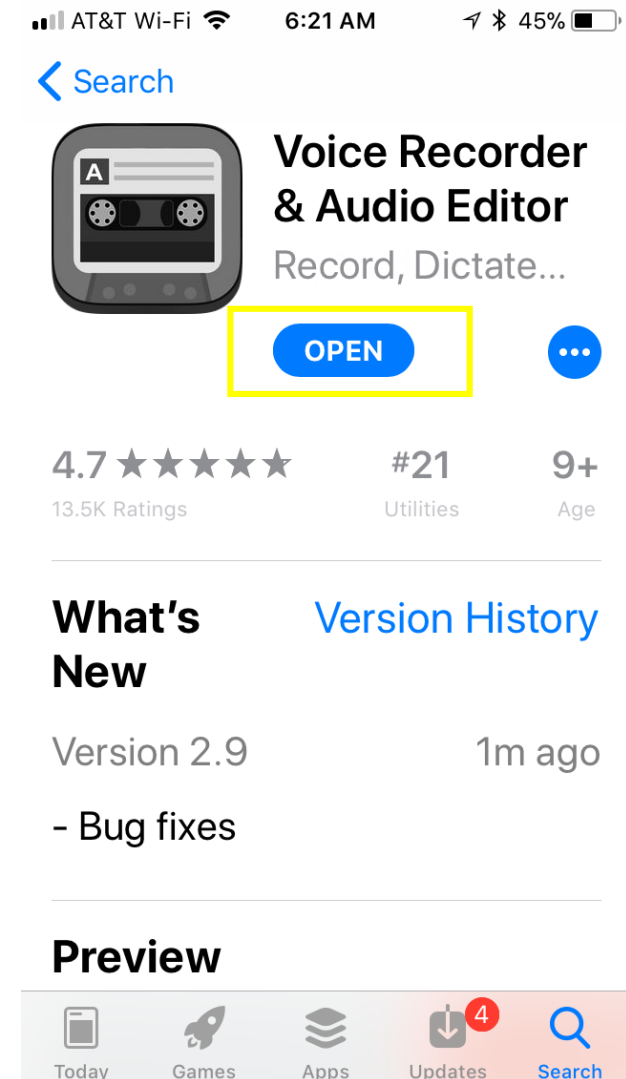

NOTE: If you have not downloaded the app it will say “Install” instead o OPEN

iPhone, iPad or iPod Touch: Installing the App

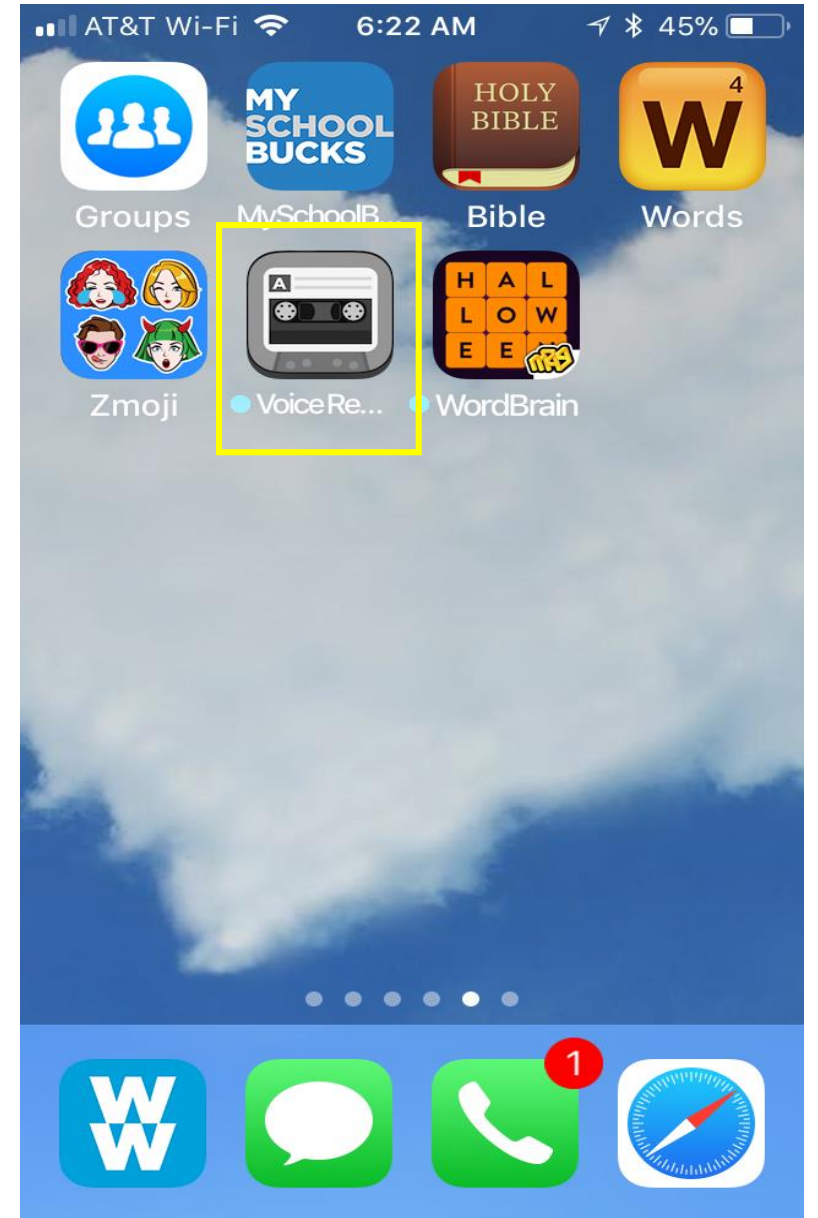

Look for the Voice Recorder & Audio Editor app from the App Store App on your phone. It might be on your home screen or in another folder.

- NOTE: If you have not downloaded the app it will say “Install” instead of OPEN

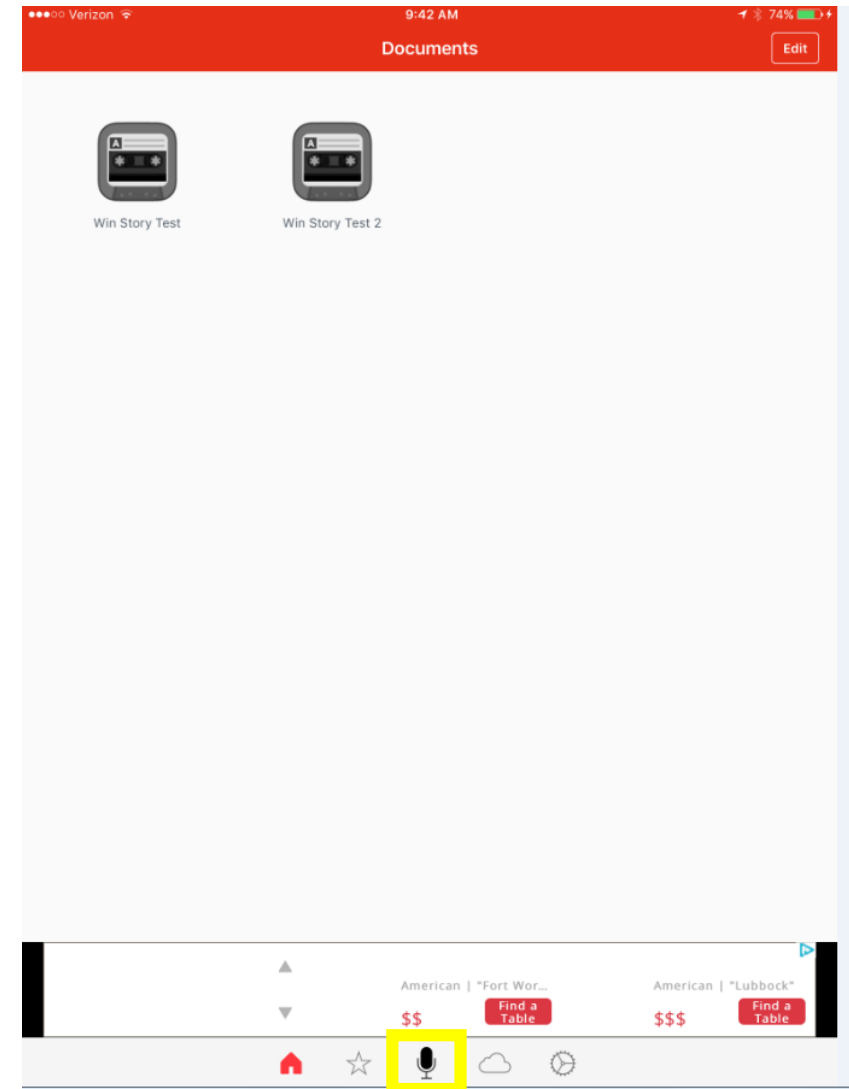

iPhone, iPad or iPod Touch: Installing the App

- The Voice Recorder app should now be available to use
