Hanna's Puppies

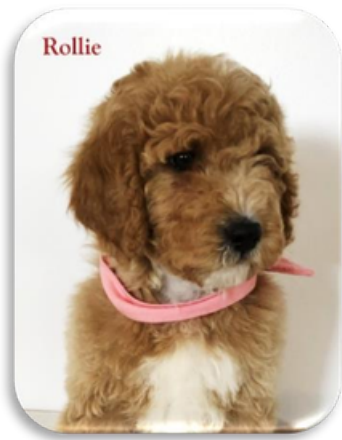

Everest has a beautiful, deep red coat, wavy. He should be 12-15 lbs. when grown. Has the handsome look of the Spaniel. Longer ears with little curls/waves. Loves everyone and is very social. Will love being where you are, going for a walk or cuddling on the couch with you. Very intelligent and loves to please.

Jasper Boy will be in the 12-14 lb. range. He has a loose-wave coat and body curls. He is light cinnamon and golden, with a white spot on his chest and forehead. Longer, oval-shaped face. He is playful and calmer by nature. Very sweet and affectionate. He is curious and intelligent. Well socialized, happy puppy.

Hanna's Puppies

Rollie will be in the 14-15 lb. range when grown. He has a soft-wave and soft-curl coat that is light cinnamon and golden, with white markings on his nose, chin, and chest. He is energetic, friendly and loves to play. He's very affectionate and loving. Always ready to play!

Jilly's Puppies

Jefferson should be 12-13 lbs. When grown. Smaller but sturdy. He has a beautiful coat combination of soft-curl and waves. Golden coat, darker russet ears with little curls. White markings on top of his head, nose and chest. He loves to play but is gentle and sweet. Intelligent and happy.

Jack has a lovely coat that is a mix of soft curls and waves. He should be in the 14-15 lb. range when grown. He is a golden/cinnamon with beautiful white highlights and markings. He has the shorter nose that is more square-shaped. His ears are a bit darker than his coat and have little curls. He has a sweet, gentle temperament and is well socialized. He focuses well and loves everybody!

Job has a sparkly, snow white coat with soft waves and little curls. He will be in the 14-15 lb. range when grown. Job is a happy puppy, affectionate and loves to cuddle. He has a beautiful face with large, round eyes that are wide spaced. Blocky, round head and longer, pretty ears. He has really distinctive markings – a partial mask and ears. Loves to be with you, doing whatever you are doing!
