INTRODUCTORY ASSIST

Band :

Developed and born in April 2015 Johnny & The Mongrels are a high powered New Orleans infused "Swamp Blues" group from Fort Collins, Colorado.

The mutual musical admiration between singer songwriter Johnny Ryan, incomparable bassist and singer songwriter Jeff Bostic together with Louisiana raised, accomplished guitarist Jeff Mere formed a solid base for a very unique and fresh yet classic merge of musical knowledge that would end up in a very influential sound of blues and funk.

You Ain't Ready EP :

You Ain't Ready is the debut EP for Johnny & The Mongrels.

This EP is a total treat for music admirers that are on the lookout for some quality music infused with some high powered Blues.

The amazing vocals from Johnny Ryan together with the stunning instrumental work from band members;

Jeff Bostic, Jeff Mere

and guest musicians;

Wilson Thomas, Scott Sessions, Aras Butinas and Dan Shook make a sublime merge of high quality musical performance that will stay in your mind for the foreseeable future.

This EP consists of 6 tracks that will keep your ears positively saturated at all moments as the versatility within the instrumentation and vocals from this Colorado based band are second to none.
