

SUPER LIFE® D2000

HD ENGINE OILS

HD ENGINE OILS are crankcase oils formulated from excellent quality base stocks having high viscosity index fortified with an advanced additive package to use for gasoline and diesel engines in both heavy duty and stop-and-go service.

APPLICATIONS:

HD ENGINE OILS are recommended for gasoline and diesel engines of all kinds of trucks, passenger cars, minibus, construction cars, train, tractors, and marine engines of merchant ships, passenger ship, fishing boats on the river and on the sea in continuous severe heavy duty service, long distance traffic where API grade CC/SC oil is required.

API CC/SC
MIL-L-2104B

BENEFITS:

- Excellent engine protection, prolongation of engine life and fuel saving even in severe operating conditions, long distance traffics and rough roads .
- Excellent thermal and chemical stability. Good acid neutralizing properties. Helps engine running smoothly
- Excellent anti-wear properties, lower corrosion and friction . Exceptional stability of protective oil film on vital engine parts
- Good detergency dispersancy properties to prevent sludge deposits and to keep engines clean

TYPICAL CHARACTERISTICS

Test	Method	Typical results		
SAE Viscosity grade	SAE J300	40	50	70
API Gravity	ASTM D287	28.02	27.49	26.60
Specific gravity @ 15.6°C (60°F)	ASTMD1298	0.887	0.890	0.895
Viscosity @ 40°C, cSt	ASTMD445	167.5	256.0	381
@ 100°C, cSt		16.2	21.5	28
Viscosity Index	ASTMD2270	100	100	100
Flash Point, °C (°F)	ASTMD92	210 (410)	220 (428)	240 (464)
Pour Point, °C (°F)	ASTMD97	-12 (+10.4)	-12 (+10.4)	-12 (+10.4)
Total Base Number, mgKOH/g	ASTMD2896	3.5	3.5	3.5

The above characteristics are average values based on recent production. Minor variations which do not affect product performance are to be expected in normal manufacture.

WARNING:

Continuous contact with used motor oil has caused skin cancer in animal tests. Avoid prolonged contact. Thoroughly wash exposed areas with soap and water. Keep out of reach of children.

Don't pollute. Conserve resources. Return used oil and bottle to collection centers
