Landscape Coaching... A home visit is often the best way to assess your landscaping situation and gardening challenges. Fees start at: \$140 for the first hour and \$40 per half-hour thereafter.

Scaled Drawings... We start with a home visit that includes a consultation to discuss your project and to document the site. This is followed by a project presentation at The Growing Place when your plan is completed. Your Project Packet will contain a scaled drawing with plant pictures and care information.
