## BRIDAL TIMELINE

*Congratulations on your engagement!*

In the months leading up to your “Big Day”, we offer these recommendations to make the preparation a bit easier for you. We work with many local professionals that we’d be happy to introduce you to!

### **8 to 12 months**

- ✓ Secure your date and venue
- ✓ Interview vendors, visit Wedding Shows and read bridal magazines
- ✓ Register with sites like theknot.com & weddingwire.com, and set up a Pinterest account
- ✓ Say YES to the dress

### **6 to 8 months**

- ✓ Set up appointments for hair and makeup trial
- ✓ Pick out wedding rings
- ✓ Schedule fittings for yourself and your attendants

### **2 to 4 months**

- ✓ Work with your colorist to get on the right track for your wedding day hair color
- ✓ Be mindful of nutrition, hydration, and general health – the better you feel, the better you’ll look!

### **10 days to 2 weeks**

- ✓ Have your final hair color session. If you’re wearing your hair up, we recommend freshening up your highlights.
- ✓ If you haven’t already, schedule your final eyebrow (or other facial) waxing. Giving your skin this time to heal will help to ensure your makeup blends smoothly.
- ✓ If you get a last-minute blemish or pimple, **do not** pick! Simply apply tea tree oil or toothpaste on trouble spot.
- ✓ Remember, do not try any new products in this two-week period just in case of any reactions.
- ✓ Drink plenty of water and stay hydrated
- ✓ Get the rest you need to look and feel healthy

## FREQUENTLY ASKED QUESTIONS

### **WHO DO I CONTACT FOR BRIDAL QUESTIONS?**

Tarryn Valverde, Bridal Coordinator – SayIdo@salonlucere.com

### **WHY DO I NEED A TRIAL?**

A practice run, which we refer to as a “trial”, is recommended to make you more comfortable on the day of your wedding. A hair and makeup trial are a great opportunity for you and the stylists/artist to work together to create your dream look. It is intended to build your confidence in us and helps us prepare for your wedding day.

### **SHOULD I BOOK A HAIR AND MAKEUP TRIAL ON THE SAME DAY?**

Yes. Having both hair and makeup trial done the same day gives you the full vision of what you would look like the day of your wedding – and ensure that look exactly like you imagined. And if any changes need to be planned, this would be the time to discuss the alterations with us. Additional trials can be scheduled as needed, but one has been sufficient for the majority of brides.

### **WHAT SHOULD I BRING TO THE TRIAL?**

- ✓ Pictures... as many pictures as you can...we want to see everything you’ve cut out, pinned, tagged, or saved! Bring hairstyle and makeup looks that you love and also what you’re not crazy about. We use these images to flush out what you’re going for as a finished look. The more we know about your ideas, the easier it will be for us to create your bridal style and the happier you will be with the outcome.
- ✓ Photos of your dress... the neckline of your gown will have a lot to do with the hairstyle that best suits it. It’s very important to bring photos of the front and back necklines of your gown.
- ✓ Jewelry... you don’t have to bring the actual jewelry (photos will suffice), however, you will have a better idea of the complete look if you include the jewels!
- ✓ Veil... please have it on a hanger and covered in a garment bag. Remember that a veil can sometimes cover most of your hair, so please give some thought to veil styles and placement when you’re dishing through hairstyle photos!
- ✓ Hair extensions... if you’re adding length or bulk, please bring the hair clean and combed with clips attached. If you and your Stylist determine that extensions would enhance your look, we can get them for you at an additional cost. Ask about rentals and financing!
- ✓ Hair accessories...you don’t have to commit to your hair candy until your wedding day, so if you’ve purchased a few different pieces, we can help you select the best one for your hairstyle. Didn’t get to the store yet? We have a selection of accessories available – if you’d like us to bring a sampling to your location on your wedding day, please let us know.
- ✓ A girlfriend... the trial is a great way to ensure that you’re getting what you want! Having someone with you – a bridesmaid, maid of honor, or mom (someone whose opinion you trust) – can make you more at ease!

## **HOW SHOULD I ARRIVE FOR THE TRIAL AND WEDDING DAY?**

- ✓ Clean and dry hair with no products. Please avoid using a flat iron.
- ✓ Wear a tank top or button-down shirt that is easily removed without disrupting finished style. Robes will be provided.
- ✓ Cleansed, exfoliated and moisturized face

NOTE: {On-Location weddings: We will send Bumble and bumble sample sized shampoo and conditioner in advance for anyone receiving a blow dry design, for use the morning of the wedding. Don't worry if the hair air dries between the time it's shampooed and our arrival, we can dampen it and build volume and style, as long as it's Bumble Clean.}

## **HOW SOON BEFORE THE WEDDING SHOULD I BOOK THE TRIAL?**

We recommend that you have your trial 3 to 6 months before the wedding. If changes are to be made or additional needs arise, we would have ample time to accommodate. Remember, the more prepared you are, the less stress you will endure on the biggest day of your life!

## **WHAT IF I WANT TO MAKE CHANGES AFTER THE TRIAL?**

Subtle changes or slight adjustments can be made on the day of your wedding. However, if you decide after the trial that you want to change your look completely, we would happily invite you back for additional trial(s), additional fees would apply. We want nothing more than for you to feel absolutely confident.

## **DOES IT MATTER WHAT SIZE MY BRIDAL PARTY IS?**

No, we will happily provide services for any sized party. We just need to know exactly what your needs are so that, with appropriate notice, we can plan accordingly.

## **DO YOU OFFER DISCOUNTS FOR LARGE PARTIES?**

The Bridal Studio at Salon Lucere takes great pride in the service that we offer and the styles that we create. Each member of your bridal party will receive a full consultation followed by a strong, well suited design that will flow with your wedding style and last well into the night! Our service prices have been carefully constructed to be as low as possible and are therefore not negotiable.

## **WHAT IS THE FEE SCHEDULE IF MY BRIDESMAIDS WANT TO PAY FOR THEIR SERVICES SEPARATELY?**

We offer payment options for brides who would prefer to avoid the conversation of collecting payments from the bridal party, as well as for brides who are comfortable with the idea. For more information, these terms are detailed in our Bridal Contract.
