ORIENTAL SALAD MIX PROFILE

SAVE COOLER SPACE: This blend is a preblended salad solution. The Oriental Salad Mix eliminates the need of pulling three separate skus: shredded green cabbage, shredded red cabbage and shredded carrots.

ROMAINE: This traditional component of the recipe is NOT included in our oriental blend for longer shelf life and avoid bruising that the heavier cabbages can cause to romaine. We recommend adding it to the blend for a complete recipe.

WASTE REDUCTION: Reduces food waste by having exact blend already prepped and ready for use.

IMPROVES CONSISTENCY: Creates menu consistency with quality product.
