Position: LCSW Clinician

Open Date: January, 2019

Closing Date: Until filled

Summary of Duties:

Responsible for providing a wide variety of individual, family, and group therapy; case management counseling; crisis intervention; and advocacy services to families, children, and other clients in accordance with their specific therapeutic needs.

Essential Duties:

- Provides direct clinical work and/or therapeutic services to clients and families.
- Facilitates and conducts programs for participants in ways to reduce the negative impact of the use of chemical and alcohol involvement.
- Complies with agency productivity standards and maintains an appropriate caseload to reach the weekly expectation of client contact and budgeted hours.
- Continually assess the needs and symptoms of clients and families formulating psychosocial diagnosis, gathering history, and determining the most appropriate method(s) of providing treatment/evidence based practice.
- Provide services in the community or in the field consistent with program and funding source contractual requirements.
- Maintain a client file to level of requirements mandated in agency policy and completes documentation in a timely manner.
- Display sensitivity to the cultural and linguistic needs of the clients and families served.
- Maintain professional relationship with clients, staff, and other outside stake holders at all times.
- Meet Agency requirements regarding billing for reimbursable services; consistently provide services in keeping with all programmatic and contractual requirements.
- Attend and actively participate in staff meetings to provide input towards program development and staff training.
- Review and maintain audit ready standards and peer audit.

Qualifications:

- LCSW licensed by the State of California Board of Behavioral Science, plus a minimum of two years post-licensure experience. Must maintain licensure as a condition of employment.
- Experience working with dual diagnosed/co-occurring patients with both a substance use disorder and a mental illness.
