Brux Waffles are truly unique and can be used for a variety of applications. The waffles, reminiscent of freshly baked bread are distinctly different from what is available in the marketplace. The Brussels Waffle is light, airy, crispy and is not sweet. It is used in a variety of ways from traditional breakfast and desert offerings and can be paired with savory items like Fried Chicken, Po Boy, Smore's, PB&J to name a few. Brux was founded in 2005, our customers across America as well as Asia have been widely recognized for the waffles they offer.

\*Brux products are all natural, no preservatives, GMO free, Kosher and Halal certified.
