RARE FINDS

HENRIOT "HEMERA", *Incredibly Rare!!!*
2005, Champagne, France 55 / 280
"Henriot Hemera, taking its name from the Greek goddess of daylight, has been launched as the house's new top Champagne. It is made from 50% Chardonnay and 50% Pinot Noir and the wine is a blend of six grand cru Champagnes. This has a gold tinged color and an exquisite mousse, with full Chardonnay aromas of apricots, citrus fruits, toast and honey. It has a masterly grand cru Pinot mouthfeel of satin, subtle and honeyed, intense without heaviness."
97 points, Decanter Magazine

CAIN "CONCEPT" MERITAGE,
2009, Spring Mountain District, Napa Valley, California 36 / 180
"A generous, sexy wine with an abundance of subtle red fruits and mushrooms. Full body with soft, velvety tannins and a long, flavorful finish. Umami character. The juiciness of a top Burgundy. This is made from mostly cabernet sauvignon and merlot from top vineyards on Rutherford Bench. Why wait? Drink now."
95 points, James Suckling

A NOTE FROM THE WINE GUYS:

Our "Rare Finds" and "Staff Picks" are poured using the Coravin wine preservation system. This ground-breaking tool allows us to pour wine without removing the cork. This enables us to serve these exceptional bottlings with the assurance that each glass remains in pristine condition.
