August 12, 2014 Elder Care Seminar

Insights and Tools to Help You

Learning to care for an aging parent can be an emotional and confusing process, full of questions and uncertainty. In this special informational event, GVH is teaming up with Gunnison County Senior Resources and Gunnison-based Law of the Rockies to help you navigate the complexities of elder care. Learn what local resources are available such as assisted living and full time care options, developing medical directives, estate planning, and making sure your loved one has social and creative outlets. Hear from local experts at this free educational seminar.
