

NAPA SLAW

ON TREND

CRUNCH + COLOR

This is not your traditional slaw. The Napa Cabbage makes this a sweeter flavored blend with a crispy, juicy texture that holds up well to any dressing base.

The Napa Slaw is very multi-functional for any kitchen and goes well beyond a typical coleslaw: Taco Toppers, Asian Stirfry, Chinese Chicken Salad, Ahi Burger Slaw, or any sauté. The blend gives a pop of color and texture to any menu application.
