Mission Statement

Our Mission: To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

Purpose and Philosophy

Kids Club 360 has a primary goal of providing a comfortable, safe, and stimulating environment, to effectively meet the needs of school-aged children. The teaching staff strives to build a respectful environment while simultaneously meeting the individual needs of the children within the group setting.

All Boys & Girls Club of the Pikes Peak Region dba Kids Club 360 programs reflect the diversity of the El Paso County Community. It is a fundamental goal to foster each child's pride and security to his or her own identity while promoting the children's awareness of and respect for others. The curriculum is deliberately multicultural; teachers guide children in exploration of differences and discovery in an atmosphere of trust and mutual recognition. The curriculum is designed to meet the academic needs of the children by conducting activities that promote creative expression and exploratory learning and linking school-age curriculum to each school's curriculum whenever possible.

Kids Club 360 is committed to promoting and supporting all aspects of a child's growth in an atmosphere of respect. Your child is an individual who is an integral member of a group and whose uniqueness is acknowledged and appreciated by that group.

The development and training of staff is a continuous process, which includes attending workshops, listening to guest speakers, and frequent discussions. The staff is encouraged to visit other programs and to take classes related to child development. Each site has a Site Director and qualified Program Leaders.

Admission Policy

AGES

Kids Club 360 accepts children between the ages of 5 through 12 and is open to all without regard to race, color, creed, gender, nationality, or religious preference. Kids Club 360 maintains a 1:15 or lower staff to child ratio.

To enroll for services please visit our website <http://www.kidsclub360.com/enroll-now> for detailed enrollment instructions. There you will find the link to the online portion of enrollment through our Parent Portal, as well as the Universal Signature Form to complete and return with a copy of your child's birth certificate, a Colorado Certificate of Immunization, and a current color photo. If applicable, a copy of legal guardianship, discount documentation, as well as a medication administration form and asthma or seizure action plan will also be needed.

FAMILY ORIENTATION

Families are encouraged to speak with the Site Director to arrange a time to participate in being oriented to our program. Upon request, orientation can be set up.

Special Needs & Behavioral Challenges

We welcome children of all abilities to our program. To provide the best care for your child, Kids Club 360 asks that parents schedule a meeting with the Director of Operations and Site Director to discuss tips and best practices when caring for your child. If your child experiences challenges or has special needs/accommodations, please declare and provide that information when registering your child. This can be documented in the Parent Portal. Kids Club 360 suggests that you provide medical or healthcare documentation regarding the special need listed.

If your child is on an Individualized Education Plan (IEP), we suggest that you share this plan with us to allow for consistency and a smooth transition from the child's school day into our before & after school program. A behavior plan may need to be put in place dependent upon how the member conducts themselves within the program. Kids Club 360 must be able to maintain our **1:15 ratio**. If the child requires a one-on-one caregiver, then it will be the parent's responsibility to provide an adequate caregiver. In addition, this person would then have to pass all background checks & complete a mandated reported training required by Boys & Girls Club of the Pikes Peak Region dba Kids Club 360. Background check fees will be an additional cost.

Boys & Girls Clubs of the Pikes Peak Region, operating as Kids Club 360, strives to work with all children and to accommodate each member to the best of our abilities. However, there may be specific circumstances under which Kids Club 360 may not be suitable for certain children. In such cases, Kids Club 360 reserves the right to deny services.

Charges & Payments Policies

- Due to system limitations, each child's account is only allowed one Parent Portal User. It is recommended that the Parent Portal User be the legal parent/guardian, the primary contact and the person financially responsible for the account. This also pertains to a joint custody situation.
- Enrollment in a service serves as your **financial contract** with Boys & Girls Club of the Pikes Peak Region dba Kids Club 360.
- **Registration Fee:** Payment for the appropriate registration fee is required to complete enrollment. This payment is non-refundable.
- **Initial Payment:** Payment for one day of service is required at the time of enrollment. This payment is non-refundable.
- **Rates Subject to Change:** Rates are subject to change without notice. Families who withdraw or are disenrolled from the program for non-payment will have to re-enroll in the program at current rates.
- **Charges and Payments:** All charges are based on the selected service, NOT attendance. The total amount due is based on the chosen service and the length of time enrolled. The required initial payment for one day of service is subtracted from the total due and the remaining amount is then divided into equal payments throughout the time enrolled for the service. Payment Schedules for the services are included in the enrollment confirmation email you received after the enrollment was completed through the Parent Portal. It lists your payment amounts and the dates they are due, which also correspond to the charges on the account. Changes made to your service may cause Payment Schedule and charge adjustments. Payments are due regardless of your child's attendance and are not refundable or prorated if a child is absent, regardless of reason, including but not limited to: illness, suspension, weather or other club closures.
- **Additional fees for Field Trips will apply.**
- **Additional Services:** School Breaks such as Winter and Spring Break services are NOT included in your payment schedule. These services will need to be enrolled and paid for separately, if desired.
- **Payment Options:** You have the option of choosing Automatic or Manual Payments at the time of enrollment. Debit/Credit card information for payments made through the Parent Portal will remain on file through the enrollment period. If you wish to change your selection after the enrollment is complete, please contact the Central Office.
 - **Automatic Payments** - If you select "Auto Payments" at the time of enrollment, the credit/debit card on file will be charged as indicated on your Payment Schedule. If the charge is declined, you will be notified by email and/or phone. You must make a payment manually through the Parent Portal, via the Pay tab, **and** update credit/debit card information via the Financials tab, if applicable. If a manual payment is not made on the due date, then a second automatic charge will be attempted the following day. If payment is not received the day after it is due, care will be suspended according to policy. Excessive declines may result in

additional processing fees and/or the account being changed to the manual payment option with an adjusted Payment Schedule.

- **Manual Payments** - If you select "Manual Payments" at the time of enrollment, your weekly payments will be due on the dates specified on your Payment Schedule. Payments may be made in the following ways:
 - Credit or debit card through the Parent Portal.
 - Cash, check, or money order at the Site or at the Central Office. Kids Club 360 does NOT have cash on location so please bring exact amounts. Make checks payable to: Kids Club 360.
 - Receipts will be provided when payment is received at the Site or Central Office.
- **Late Payments/Fees:** Any payments not received by the due date indicated on the Payment Schedule are considered late and a **\$5.00 late fee, per day, per child** will be charged to the account(s).
- **Care will be suspended immediately** if payment, or a payment arrangement, is not received after two late fees. See Suspension & Termination Due to Unpaid Accounts section below.
- **Returned Check Fee:** A \$40.00 charge will be added to your account for any check returned and your account will be placed on a cash only basis for 90 days. Childcare services will be suspended immediately until the original amount plus the \$40.00 returned check fee is paid in full. Failure to make proper payment on returned checks will result in the account immediately being sent to an external collection agency.

Holidays, Breaks, & School Out Days

Winter and Spring Break schedules will be posted in advance at the Site, on our website, and on our social media outlets with location, hours, and pricing information. Enrollment for these additional services must be completed through the Parent Portal. Payment in full for the service will be due at the time of enrollment into this service (additional field trip fees may apply). Each child must be enrolled prior to the deadline set by the Site. Holidays, Winter, and Spring break services are not included with the before and after school services.

Most School Out Days (SODs) are included with the After School and Before & After School services (See Site Director for Site calendar specific dates.).

Holiday, break, and School Out Day services may be provided at a location classified as a Boys & Girls Club youth development facility, not a state licensed childcare facility.

Children will be provided breakfast, lunch, and snack during holidays, breaks, and School Out Day services. Please see the Food Service section for additional details.

Service Changes

Please contact the Central Office at 719-570-7077 at least 3 business days before you would like your child to begin a different service. Service changes will depend on space availability. Once this change is approved, you will need to enroll for the new service through the Parent Portal. Withdrawal from the prior service will be done by the Finance Department after enrollment in the new service has been received. You will receive an email confirming the withdrawal from the prior service and indicating if there is any remaining balance due or if there is a credit for

that service. If there is a remaining balance, it will be due immediately. If there is a credit for that service, it will be applied to fees for the new service. There will be a \$40.00 Administration Fee for more than one service change per school year.

Withdrawals From Service

Kids Club 360 requires a **two-week notice** to withdrawal from all services including those using military fee assistance benefits. Please follow the steps below.

1. Login to your Parent Portal, click the Financial Tab and then click the Withdrawal/Discontinue link. Full payment of the remaining amount due for the service will be required to complete the withdrawal.

Once you withdrawal, you will receive a confirmation email detailing the service provided and any remaining amount due. If a remaining balance is due, payment will be required immediately. If there is a credit on the account, it will be applied to outstanding charges, or a refund can be issued upon request to the Finance Department. **Failure to withdrawal at least two weeks in advance will result in continued financial obligation.**

Late Pick Up

It is important that each child be picked up by 6:00 p.m. when the Site closes. If you are going to be late, you must call the Site. To avoid late pick up fees, we suggest that you arrange for a friend, neighbor, or relative to pick up the child/children.

Per school semester (Fall/Spring), only **three** late pick-ups (with fees paid) will be allowed by the parent/guardian. Upon the **fourth offense in a semester, care will be terminated** and late pick up fees will apply. Late pick up offenses by the parent or guardian cannot be transferred from one semester to another; it is limited to three late pick-ups per semester only. Please make sure to list reliable emergency contacts and update them as necessary. If the fourth offense is reached in a semester and care is terminated, a re-evaluation will be considered if care is needed for the following semester.

Children who are not picked up by **7:00pm without communication from parent/guardian** will be referred to the Colorado Springs or Fountain Police Department as well as the Colorado Department of Human Services.

Late Pick Up Fee

Fees are charged as follows to both subsidized and non-subsidized families. Late pick up fees will apply according to your enrolled service pick up hours. The late pick-up fee is charged per child.

Late Pick Up Fee Schedule for Subsidized and Non-Subsidized Families:

Number of Minutes Late	Charge	
1 minute to 15 minutes late	\$25.00	Per Child
16 minutes to 60 minutes late	\$1.00/per additional minute	Per Child

Suspension & Termination Due to Unpaid Accounts

Failure on the part of the parent/guardian to keep payments current will lead to suspension & possible termination of services. Services may not resume until past due amounts are paid in FULL or a signed payment agreement has been made with the Finance Department.

- If payment or a payment arrangement is not received after two late fees, care will be suspended immediately until the payment, and any applicable late fees have been paid in full.
- Payment arrangements are ONLY valid when made directly through the Finance Department.
- If the payment is not received by Friday of the current week due, the Boys & Girls Club of the Pikes Peak Region (BGCPPR) DBA Kids Club 360 will accept that as the parent/guardian's required two-week notice for withdrawal. Daily service fees will apply throughout this two-week period.
- You authorize Boys & Girls Club of the Pikes Peak Region (BGCPPR) DBA Kids Club 360 to collect any outstanding balance(s) by charging the credit card on file.
- If your child attends once services have been suspended, you will be contacted to pick up your child within half an hour. If your child is not picked up within half an hour, you will be charged an additional \$35.00 fee.

Collections

If payment has not been received via in-house methods, the account will be sent to an outside collection agency for the current balance due and possible collection and attorney fees.

Once your account has been sent to the collection agency, Boys & Girls Club of the Pikes Peak Region dba Kids Club 360 no longer holds ownership of the account and cannot retrieve the account or accept payments or payment arrangements.

Fee Assistance & Discounts

Second Child Discount:

- The standard rate applies to the first child enrolled. The Second Child Discount rate applies to each additional child.

Military Discount (Active Duty /Honorably Discharged/ Retired):

- A copy of your LES or DD214 is required to validate this discount rate and is due at the time of enrollment. It may be emailed to registration@bgcprr.org or faxed to 719-570-7079.
- If valid documentation is not provided at the time of enrollment, the account will be adjusted to standard rate charges until it is received.

Military Fee Assistance: CCAoA Program

Kids Club 360 is an approved provider for the Operation Military Child Care program (OMCC), through Child Care Aware of America (CCAoA). This program is for sponsors who are deployed (in any branch of service), Army/Marine recruiters or Navy sailors attached to a ship. CCAoA may also approve benefits if your child has already been attending Kids Club 360 for continuity of care. If your family is not currently enrolled in the program or you have questions, please visit <http://usa.childcareaware.org/military-programs/military-families/> or call CCAoA at 1-800-424-2246.

- The Parent/Sponsor monthly copay will be added to the account when the CCAoA benefit certificate has been received by Kids Club 360. The copay is the difference of the total monthly charges minus the monthly fee assistance amount specified on the benefit Certificate issued by CCAoA. Benefit amounts will be pro-rated for start/end dates occurring mid-month. The monthly copay amount is an estimate and may be revised depending on the actual amount received from CCAoA.
- Copays are due on the **first day of attendance and the first of each month thereafter** unless prior approval has been given by the Finance Department for weekly or bi-weekly payments.
- Late fees of \$5.00 per day, per child, will apply beginning on the 2nd service day of the month. If payment is not received by the 3rd service day, suspension will be effective immediately. If payment is not received by the 5th service day, Boys & Girls Club of the Pikes Peak Region DBA Kids Club 360 will accept that as your two-week notice for withdrawal. See Suspension/Termination Due to Unpaid Accounts section.
- The sponsor or spouse is required to sign monthly attendance sheets which Kids Club 360 will submit to CCAoA for payment of their portion of the monthly fee. The attendance sheets must be signed and returned to us by the 15th of the following month.
- If, for any reason, CCAoA denies payment of their portion of the monthly fee, that portion will become the sponsor/parent/guardian's financial responsibility and will be due immediately.
- Care provided outside of the dates specified on the benefit approval certificate will be charged at the standard or military rate. Documentation will be required to qualify for the military discount rate as described below.
- CCAoA does not provide fee assistance for Fall, Winter, Spring, or February Break services.

A written, two-week notice is required for withdrawal from any service using these benefits. See the Service Withdrawals section above for more details.

Annual Payment Summaries (Tax Statements)

You may view and print this report from the Pay tab in the Parent Portal. Please be aware that if you have an outstanding balance, this report will not be accessible through the Parent Portal. Contact the Central Office with questions or concerns. No amounts will be given out over the phone.

Vacation Time/Requests

Kids Club 360 allows 5 consecutive days of vacation time per school year, per enrolled child. A Vacation Request Form **MUST** be submitted at least 7 days in advance to give the Finance Department enough time to adjust your account accordingly. Vacation Request Forms are available at <http://www.kidsclub360.com/enroll-now> and from your Site Director. Once approved, the account will be credited. Without written, prior notification, or if the allotted vacation time has already been used, payment will be due **regardless** of the child's attendance. Kids Club 360 before and after school service fees are based on the enrolled service, not attendance.

Bereavement/Funeral Time

When an absence is due to the loss of an immediate family member (mother, father, sister, brother, grandparent) Kids Club 360 will allot up to 3 days of bereavement credit. Upon confirmation of the loss, the account will be credited for the days absent.

Sign In & Out

A parent or authorized adult over the age of 18 is required to use daily sign in and sign out sheets for documentation and safety purposes. Kids Club 360 requires a full signature for child arrival and departures. A parent/guardian is required to accompany their child into the program and sign him/her in with the accurate time. Parent/guardian must sign the child out with an accurate time at pick up as well. Kids Club 360 reserves the right to enforce a curbside drop off and pick up service as deemed necessary.

Release of Children

Only parents or persons over 18 years of age with pick up authorization will be allowed to take a child from the Site. In emergency situations, the parent may give verbal authorization to Site caregivers. This person will need a valid photo ID and sign the child out with an accurate time. Contacts may be added/updated through the Parent Portal.

Visitors

Visitors must give advanced notice and be approved by the Site Director prior to their arrival. Upon arrival, all visitors must immediately check in with the Site Director, show photo ID, and sign the Site Visitor Log. Under no circumstances will a visitor be left alone with children.

School Activities

If your child attends school activities, the child must check-in at the Kids Club 360 Site before going to the school activity. If your child needs care after the activity ends, they will need to report to Kids Club 360 immediately following the activity. You will need to complete and turn in a "Before or After School Activities Release" form (available online) to your Site Director if your child will participate in any before or after school activities.

Intoxicated Persons at Pick Up

For the safety of the members, the Boys & Girls Club of the Pikes Peak Region has established a procedure in the event of anyone attempting to pick up a member while under the influence of or impaired by alcohol or drugs. If a staff person suspects intoxication, a conversation will take place and they will call an authorized contact listed in the parent portal of the members to pick up. If the individual insists on leaving with the member, the staff will immediately contact law enforcement and advise them of the situation. Failure to comply with this policy could result in termination of services.

Television, Video Viewing, & Video Games

Television will not be watched during Summer Camp services. Video viewing can be used in conjunction with the curriculum, to expand learning concepts and activities, and for special celebrations on a limited basis. Videos will be rated G or PG. Use of video game systems will also be limited, and games will be appropriately rated for use with members.

Technology Acceptable Use Policy

Members are expected to act responsibly and thoughtfully when using technology resources. Before a member will be allowed to use Kids Club 360 technology equipment or their personal device, both the member and their parent/guardian will need to read the Technology Acceptable Use policy. After reading, a parent/guardian must sign off on the Universal Signature Form. Under the Technology Acceptable Use Policy, the following will apply:

Kids Club 360 devices include any and all Kids Club 360 owned/leased current and emerging technologies and devices that can take photographs, play and record audio or video, input text, upload and download content, connect to wired or wireless networks, and/or media and transmit or receive messages or images.

Personal devices include any and all devices and emerging technologies a member has in their possession not owned/leased by Kids Club 360. Included are devices that can take photographs, play and record audio or video, input text, upload and download content, connect to wired or wireless networks, and/or media and transmit or receive messages or images.

Kids Club 360 purposes include program activities, career development, communication with experts and/or Club peer members, and homework.

Authorized Use: Kids Club 360 devices and personally owned devices are permitted for use during approved Kids Club 360 times for Kids Club 360 purposes and in approved locations only. The Kids Club 360 Site Director will notify members of approved time and appropriate locations. Kids Club 360 expressly prohibits the use of Kids Club 360 devices or personally owned devices in locker rooms, restrooms and other areas where there is an expectation of privacy. Members are responsible for inquiring with staff when they are unsure of the permissibility of a particular use of technology prior to engaging in its use.

Inappropriate Use & Discipline: Members must be aware of the appropriateness of communications when using Kids Club 360 or personal devices. Inappropriate communication is prohibited in any public or private messages, as well as material posted online. Inappropriate communication includes but is not limited to the following:

- Information that could harm an individual, Kids Club 360 community, or disrupt the Kids Club 360 environment;
- Obscene, profane, lewd, vulgar, rude, inflammatory, threatening or disrespectful language or images typed, posted or spoken by members;
- Personal attacks, including prejudicial or discriminatory attacks;
- Harassment (persistently acting in a manner that distresses another person) or stalking of others;
- Posting false or defamatory information about a person or organization; or
- Communication that promotes the destruction of property, including the acquisition or creation of weapons or other destructive devices.
- Any Cyberbullying that is determined to disrupt the safety and/or well-being of Kids Club 360, Kids Club 360 members, Kids Club 360 staff or community is subject to disciplinary action. Examples include:

- Harassing, threatening or hurtful text messages, emails or comments on social media.
- Rumors sent by email or posted on social networking sites.
- Embarrassing pictures, videos, websites
- Impersonation or fake profiles.
- Members may not attempt to log in through another person's account or access another person's files.
- Members may not use any network to engage in any illegal act, including but not limited to arranging for the purchase or sale of alcohol, tobacco or other drugs; engaging in criminal activity; or threatening the safety of another person.
- Members may not make deliberate attempts to disrupt the computer system or destroy data by spreading computer viruses.

Members may not use any technology to harass, threaten, demean, humiliate, intimidate, embarrass or annoy their peers or others in their community. Any inappropriate use of a Kids Club 360 or personally owned device, as determined by Kids Club 360 staff, can lead to disciplinary action including but not limited to confiscation of the device, immediate suspension from Kids Club 360, termination of membership and, if applicable, referral to local law enforcement. If a member is told to stop sending communications, that member must cease the activity immediately.

Monitoring and Inspection: Kids Club 360 reserves the right to monitor, inspect, copy and review any personally owned device that is brought to the Club. Parents/guardians will be notified before such an inspection takes place and may be present, at their choice, during the inspection.

Parents/guardians may refuse to allow such inspections. If so, the member may be prohibited from bringing or using personal devices at Kids Club 360 in the future. Allowing inspection after the device has left Kids Club 360 custody may not overturn a decision to prohibit a member from bringing a personal device as information may have been erased or deleted.

Loss and Damage: Members are responsible for always keeping personal devices with them and putting devices away in areas designated by Kids Club 360 staff. Staff are not responsible for the security and condition of the member's personal device. Kids Club 360 is not liable for the loss, damage, misuse or theft of any personal device brought to Kids Club 360 program.

Internet Access: Personal devices used at Kids Club 360 may not access any network and are not permitted to directly connect to the internet through a phone network or other content source. Kids Club 360 reserves the right to monitor communication and internet traffic, and to manage, open or close access to specific online websites, portals, networks, or other services. Members must place devices with a mobile network in airplane mode prior to utilizing during approved times at Kids Club 360.

Parental Notification and Responsibility: While the Kids Club 360 Technology Acceptable Use Policy restricts the access of inappropriate material, supervision of internet usage might not always be possible. Due to the wide range of material available on the internet, some material

might not fit the values of members and/or their families. Because of this, it is not considered practical for Kids Club 360 to monitor and enforce a wide range of social values in member use of the internet. If parents/guardians do not want members to access information beyond the scope of the Technology Acceptable Use Policy, they should instruct members not to access such materials.

Digital Code of Conduct: Kids Club 360 shall conduct themselves online in a manner that is aligned with the Kids Club 360 Code of Conduct. The same rules and guidelines members are expected to follow offline (i.e., in the real world) shall also be followed when online. Should a member behave online in a manner that violates the Kids Club 360 Code of Conduct, that member shall face the same discipline policy and actions they would if their behavior had happened within the physical Kids Club 360 environment.

Digital Citizenship and Technology Safety Training: All members who wish to use a Kids Club 360 device or equipment will be required to successfully complete a provided Boys & Girls Clubs of America digital citizenship and technology safety training. This training is required for all members annually prior to utilizing devices in Kids Club 360. The Site Director will provide information regarding the digital citizenship training.

Attendance & Absences Policy

It is vital that Kids Club 360 is contacted if a child will be absent. Kids Club 360 expects children to attend on the contracted days of care. Kids Club 360 must be notified by noon on the date the child will be absent or 2hrs prior to your child's early release scheduled start time.

Communication with the Site Director regarding absences or schedule changes is required for safety purposes. In the event that a child does not arrive, staff will do a search to find the child. Staff will contact the parent/guardian and emergency contacts. If staff cannot locate the child, it may result in notifying the police that the child is missing.

Emergency Contacts: It is important to keep emergency contacts up to date through the Parent Portal. Site Directors and Program Leaders will release a child only to the parent or someone authorized by the parent with proper identification, 18 years old or older as indicated on the emergency contact list. Please notify the Site Director if someone not listed on the emergency list is picking up your child.

Illness, Accident & Injury Policy

For a child to get the most out of the Kids Club 360 program, he/she needs to be in good health. Do not bring a child if he/she cannot participate fully in the indoor and outdoor activities. Please do not send a child if he/she has a fever or is vomiting. Please notify the program if your child is going to be absent three or more days because of illness.

If a child shows signs of illness or injury, staff will contact the parent/guardian or emergency contacts to alert them to the injury or symptoms of illness. If symptoms are deemed serious it is expected that the parent/guardian will arrange for the child to be picked up within one hour of the original phone call.

Staff will make every effort to comfort the child by providing a secluded area for the child to rest. In case of an emergency, 911 will be called. If transportation or medical costs incur, the parent/guardian will be held responsible for all financial fees.

It is important that the persons listed as emergency contacts will be available to come for your child in case of illness or an accident. Please keep these numbers up to date in your Parent Portal.

Communicable Illness

When children have been diagnosed with a communicable illness such as hepatitis, measles, mumps, meningitis, diphtheria, rubella, salmonella, tuberculosis, giardia or shigella, the parent/guardian must notify the center immediately.

Children will not be admitted back to the program without a physician's note stating the child is clear of the communicable illness. If a child is found to have lice, they will not be admitted until all nits are gone. Children with pink eye are required to be on medication and wear an eye covering before they will be admitted.

Staff members with a communicable illness will not be permitted to work or have contact with children or other staff members if the illness could be readily transmitted during normal working activities.

The day a communicable illness or parasite is discovered in our facility, Kids Club 360 will inform the parent/guardian in writing by:

Posting a sign on the door

Posting a sign on our bulletin board

Giving each parent written information on the specific illness

Posting a sign on the sign in/out sheet

Facility staff will ensure that the name of an ill child or staff person remains confidential.

Medication Administration

Kids Club 360 will administer medication to a child ONLY after receiving a completed medication release form from the parent or guardian which can be found online. For each child receiving medication at the Site, a release form will include:

- The name of the medication
- The dosage
- The route of administration
- The times and dates to be administered
- The illness or condition being treated
- The parent or guardian signature
- The physician's signature

The medication form will be checked for completion by the Site Director. The prescription label does not serve as the doctor's orders. **DO NOT** send medication with the child. Please give the medication directly to the Site Director. Medication is stored and locked in a secure box.

Kids Club 360 will only have medication administered to children by a trained, designated caregiver. This caregiver will be trained to:

- Check the label and confirm the name of the child
- Read the directions regarding administration of medication
- Properly document administration of medication – Kids Club 360 will maintain medication records for six weeks that include:
 - Times, dates, and dosages of the medication given
 - The signature or initials of the caregiver who administered the medication
 - Any errors in administration or adverse reactions

The Site Director or designee will report any adverse reactions to a medication or error in administration to the parent or legal guardian. This will be reported immediately upon recognizing the error or reaction. Medications stored in refrigerators will be in a locked container.

For over the counter and prescription medications, they must:

- Be in the original or pharmaceutical container
- Have the original label
- Include the child's name
- Have a child proof cap
- Have instructions for administration

The Site Director will return any unused or out-of-date medications to the parent or guardian. *(The parent/guardian may wish to have the pharmacist use two containers for medicine so that one may be left at Kids Club 360.)*

Kids Club 360 staff are unable to administer aspirin, aspirin free tablets, cough lozenges or medical ointments unless a doctor prescribes them in writing. The "Medication Administration" form is available online.

Any additional costs associated with the administration of medication will need to be paid by the Parent/Guardian. This includes specialized training staff may need for medications. Examples include but are not limited to seizure medication & insulin.

Allergies & Allergic Reactions

Parent/Guardian must notify Kids Club 360 if a child has an allergy or an allergic reaction to any food or drug. A list of children and their allergies will be maintained and kept confidential at each Site. In the event your child has an allergic reaction we are not aware of, we will take steps to ensure the safety and wellbeing of the child up to and including contacting emergency personnel for assistance at parent/guardian expense.

Daily Schedule

In meeting our goal, Kids Club 360 has designed a program that is both consistent and flexible. Having a predictable routine helps the child feel secure and increases his or her confidence.

Each day includes both staff-organized and child-initiated activities, indoor and outdoor activities, active and quiet periods, group, and individual play. Specific daily schedules are posted at each Site.

Supervision and Protection of Members

K360 is committed to providing a safe environment. All activities and program spaces are always under continuous supervision by sight or sound (for restroom supervision) by an appropriate adult staff (18 or over). To ensure appropriate supervision staff and volunteers:

- Must abide by the prohibition of private one-on-one interaction policy.
- Must abide by all the organization's disciplinary policies and procedures.
- Must ensure that at least one adult staff (18 and over) is present when supervising children.
- Must always maintain proper supervision ratio 1 adult: 15 members.
- Must be trained on appropriate supervision tactics and behavior patterns.
- Must ensure that all youth staff and volunteers are supervised by an adult staff member aged 18 or older.
- Must immediately notify Club leadership and/or submit written reports detailing supervision issues, accidents, or critical incidents.
- Must never use electronic devices such as cell phones, PDAs or other communication devices while supervising members unless for Club purposes, as defined in the Acceptable Technology Use Policy.

Each location will use a half hour tracker. Half hour trackers are always used by staff to keep an accurate head count and track the movement and whereabouts of all members of the program.

When a child moves from one activity area to another, the staff will communicate through walkie talkie and alert another staff that the child is headed their way. Once the child has been received, that staff member will communicate that the child has been received and all staff will adjust their numbers as needed.

When children are in a large group, such as outside on the playground, during off-site activities, on a field trip, or participating in a special mixed group activity, supervision and protection will be maintained.

Restroom Monitoring

Restrooms are regularly monitored by designated staff according to a schedule set by the Site Director. Monitoring includes walk-throughs, inspections and/or any (but not necessarily all) of the best practices outlined below:

- Implementing procedures to limit the number of children using restrooms at the same time. Only 1 member in the restroom at a time.
- Positioning staff near restroom entries to maintain auditory supervision of space.

Facility Condition

All program spaces shall have clear lines of visibility and are monitored by adult staff when in use. Areas that are not in use will remain locked and only accessible by adult staff.

All interior and exterior spaces, hallways, stairs and stairways are monitored, maintained, well-lit, clean and free of hazards and obstructions. All storage closets and other unused spaces are locked during operational hours.

Damage to facilities is repaired in a reasonable manner. Damage that poses imminent risk to the health and safety of members, staff or volunteers shall be repaired immediately. If

immediate repair to damage that poses imminent risk is not possible, Club leadership shall determine whether temporary or permanent closure of the facility may be required. Any damage to a facility that results in an incident deemed critical to the organization is reported to the appropriate authorities as a critical incident.

Lost Child

At Kids Club 360, every step will be made to ensure the safety of every child – Hence, the importance of daily sign in and out sheets and headcounts. Kids Club 360 does recognize that no matter how careful, accidents may still occur.

Staff are trained to never leave the children unattended. Children will be in view at all times. Children going to any building on the school campus must be supervised.

Site Directors or Program Leaders must have a means for determining who is present at all times.

If it is determined a child is missing, the following steps will be taken:

- Staff will check the bathroom
- Staff will check around the immediate area where child was last seen
- Staff will check all rooms where the child would typically go and other rooms of use in the program
- Staff will check with school staff

If the child is not found after a fifteen-minute search, staff will contact emergency personnel, the child's family, the supervisor, and file a lost child report.

Guidance & Discipline

Discipline will be approached in a positive, consistent way. Rules, expectations, and limitations are simple and understandable. Employees strive to model, teach, and encourage good communication skills, problem solving skills, and positive interactions. When a child displays inappropriate behavior, the situation will be discussed with the child and the child will be instructed on how to appropriately handle similar situations. Brief separation is sometimes necessary to relieve undesirable situations. In cases of extreme behavioral issues or where a child who has been identified with special needs has behavior issues, parents will be partnered with to develop a behavior support plan. Information may be given to the family about programs and services available to assist them and their child. It is expected that parents support our staff and work as partners to keep consistency in behavioral expectations. Frequent acts of misconduct may result in suspension or expulsion from the program.

Kids Club 360 uses discipline to encourage the child's self-control and reduce the risk of injury and any adverse health effects to self or others. Staff will use the following positive discipline measures for children: positive reinforcement, Positive Youth Development, Love & Logic, redirection, and verbal praise.

The following rules help caregivers, parents, and children understand the expected conduct at Kids Club 360:

- Keep hands and feet to oneself
- Follow the directions of adults

- Use equipment properly
- Treat others with respect
- Use appropriate language
- Settle disagreements by discussing them

*Discipline measures will **not** include any of the following:*

- Corporal punishment-including hitting, shaking, biting, pinching, or spanking
- Forced physical exercise to eliminate behaviors or use of punitive work assignments
- Use of abusive, demeaning, or profane language
- Forcing or withholding of food, water, rest, or toileting
- Punishment by peers or use of group punishment for individual behaviors

If the expected conduct is not maintained, Kids Club 360 staff will:

- Start with a conversation with the member. Staff are to get down on the level of the child and explain why this type of behavior is not okay, discuss why the rule is in place and how it affects others. Then the staff and member will come up with solutions on how to make better choices next time.
- If the same behavior occurs again, the child may be asked to sit out or be redirected to a new activity. Members will not sit out longer than their age (ex- a child that is 5 years old will not sit out longer than 5 minutes at a time). Once their time is up, staff will follow up with a conversation on a better solution. The child will be given a warning that the next time there will be a write up. A conversation with the parent may also occur.
- A third occurrence of the same behavior may result in a disciplinary report. All disciplinary reports are to be discussed with and signed by parents. Parents can request a copy of the report, which will then be given by the end of the next day.
- If the behavior continues after three disciplinary reports, the child may be suspended.
- Any acts of violence will not be tolerated, and immediate suspension will occur.
- If a child has three or more suspensions, a meeting with the parent, Site Director, and Director of Operations on how to work together to create a successful environment for the child may take place. This may include creating a behavioral plan.
- If, after this meeting, the behavior continues another meeting to discuss withdrawal from the program may occur.
- Members who have been suspended or sent home for the day from the program must be picked up within 1 hour. Failure to do so may result in termination of services and a call to Child Protective Services.

Parent Communication, Involvement, & Participation

Kids Club 360 encourages parents to talk to staff daily. We invite parents to share their skills/talents with the children. Parents may request a conference with the Site Director or schedule an appointment to visit at any time. To keep parents well informed, important schedule changes, forms requiring signatures for events and announcements are posted on or near the parent table.

Your cooperation in the Kids Club 360 program is important because it creates a partnership in the development of your child. Since children are often in our care for several hours, we view ourselves as a meaningful part of your child's life. It helps staff to know about family changes,

such as a deployment, marriage, divorce/separations, or a new family member. Staff will also share any concerns that arise.

Parent & Children's Rights

Rights as a Child in the Program

All children in our program have the right to be treated in a non-discriminatory manner and have the freedom to express, practice religious and spiritual beliefs. Kids Club 360 encourages children to bring their questions and concerns about our program first to the Program Leaders and if further assistance is needed, then to the Site Director.

Rights as a Parent in the Children's Program

As a parent concerned with your child's well-being and education, Kids Club 360 encourages parents to bring their questions and concerns about our program first to the Site Director. If any issues remain unresolved, a meeting may be requested with their direct supervisor.

Personal Belongings and Money

Members may NOT bring personal belongings to the site unless the Site Director has given permission. If the Director has given permission, these items must be clearly labeled with the member's name. Boys & Girls Club of the Pikes Peak Region dba Kids Club 360 will not be held liable for any lost, stolen or damaged items.

During special events or on field trips, members often want the freedom of having spending money. Additional funds for souvenirs or treats are at the discretion of the parents. Kids Club 360 only asks that it be a reasonable and not an excessive amount. All money that is lost or stolen from a member is the responsibility of the parent/guardian. Kids Club 360 will not be held liable for such incidents.

Staff reserve the right to search and/or take possession of any personal items that are of concern. In the event a staff member has a concern, staff will take possession of item(s) of concern. Staff will then notify the Site Director. The Site Director or staff member will then search Club members' belongings. Parents will be notified once the search has been conducted. There may be disciplinary action depending on the item(s) of concern. Please see Guidance & Discipline and Technology Use Policy for explanation on discipline.

Aquatics Safety Plan

Our primary commitment is to the safety and well-being of all youth during aquatic activities. All swimming will take place at Pikes Peak Athletics facilities, which are always supervised by at least one certified lifeguard. To ensure vigilant oversight, Kids Club 360 maintains strict staff-to-youth ratios, ranging from one adult for every three children (1:3) to a maximum of one adult for every five children (1:5). This multi-layered supervision model, combining facility lifeguards, trainers, and our dedicated staff, establishes a secure environment for all participants during our standard aquatic programming.

For any off-site aquatic field trips to locations such as waterparks or waterfronts, a comprehensive safety evaluation will be conducted by a knowledgeable staff member prior to the visit to ensure the facility meets our stringent safety criteria. All staff attending will receive

mandatory, site-specific training. This training covers the facility's emergency action plan, enforcement of the buddy system, specific supervision responsibilities for both swimming and non-swimming areas, and protocols for protecting non-swimmers. By preparing our team for the unique conditions of each environment, the site ensures our high safety standards are upheld, no matter the location.

Transportation & Field Trips

Kids Club 360 offers various extracurricular activities for children to attend. The activities are planned and presented to parents. Parents are required to fill out a permission slip or give written permission for their child to attend/participate. All staff are required to carry group lists, emergency contact information, and perform head counts at regular intervals throughout the outing. Please watch for postings at your child's Site for potential field trips.

Children arriving late to a field trip will not be permitted to attend unless a staff person is present with other members. If there is no staff present, then parents must wait until the field trip is over and the Site reopens.

The drop-off and pick-up of members at the field trip location may be accommodated if arranged 48 hours in advance of the field trip. Parents and guardians must schedule drop off and pick up arrangements 48 hours in advance to ensure compliance with this policy.

Safety is especially important when transporting our children. Kids Club 360 transports children using our vans or contracts with an authorized third party. When children are being transported, at least one person accompanying the children in the vehicle will have their current CPR and First Aid course completion. No child will be transported in any mode of transportation that the Colorado Department of Human Services does not deem safe and acceptable. All vehicles used for transporting children to and from our Site will be currently registered and maintained in a clean and safe condition. A release form signed by the parent or guardian will be on hand for reference. No child will be permitted to remain unattended in the vehicle. Children will remain seated in seat belts while the vehicle is in motion. Keys will be always removed from the vehicle when the driver is not in the driver's seat. Smoking is prohibited in vehicles.

Each vehicle used will:

- Be driven by an adult with a current state driver's license that authorizes the driver to operate the type of vehicle driven
- Contain a first aid and bodily fluid clean up kit
- Be able to maintain temperatures between 60-90 degrees Fahrenheit
- Be equipped with individual, size-appropriate safety restraints
- Be enclosed
- Be locked during transport

Expectations During Travel

Before the children go on any field trip, bus expectations and safety rules will be discussed with the children. The following guidelines are for all staff while on the bus:

- Children's backpacks and bottoms stay in the seat

- Children are to always face forward
- All body parts & belongings remain inside the bus
- Inside voices or whispers are to be used while on the bus
- Children are to be seated 2-4 to a seat (Depending on seat belts)
- One staff remains on bus while children unload to check for children and personal belongings
- Attendance is taken while children load/unload the bus

Emergencies During a Field Trip

If an emergency occurs while off-site, staff will take roll and move the children to a safe location, notify their direct supervisor and parents will be notified by the office. Staff will alert the bus driver and evacuate children depending on the situation.

Emergency & Disaster Plan

Kids Club 360 has an emergency and disaster plan which includes procedures for reporting emergencies and evacuating the facility. This written plan is at the Site and accessible to all staff. Evacuation plans are posted in prominent locations of each room or areas of the Site. The Site holds monthly fire drills which are documented.
