***A note from a customer.... "Joan- Bev and I can't thank you enough for the wonderful service yesterday!! The food was ALL REALLY GREAT..... The set up and your flexibility to work around a very impromptu program was VERY HELPFUL and handled with such a professional demeanor... You and Sarah did such a great job in the presentation and were so efficient throughout the event that several of our guests asked about who you were and how we were able to get you for "our little" group. Anyway THANK YOU both for making us so proud to have chosen your help for the dinner event".***
