Congratulations on your great results with chiropractic care!! Thank you for taking the time to share the benefits of chiropractic with others. There are many other people just like yourself, who could benefit from chiropractic care, if only they knew about the possibilities. Your story may someday change someone's life!!

We realize that writing your experiences down is not always easy. The following are some guidelines that will help you get started.

- Please describe your health problems before receiving care at our office. Also, describe how your health problems affected your daily life and how long you had the symptoms.

---

---

---

---

- Which medical treatments /drugs were you taking prior to coming to Ribley Family Chiropractic for your health problems?

---

---

---

---

- Which one of the above medical treatments are you still currently using?

---

---

- What were your feelings about chiropractic care before coming to Ribley Family Chiropractic, and please tell if your awareness of chiropractic has expanded after coming to Ribley Family Chiropractic, and in what way?

---

---

---

---

please continue on reverse side...

- How has your health improved since you began chiropractic care, and how is it affecting your daily life?

---

---

---

---

---

---

---

---

---

---

- Would you recommend chiropractic care to others? Why should they choose Ribley Family Chiropractic?
