

ANTIQUE CRAFT

REVWOOD PLUS

Bring the authentic feel of antique floors into your space with Mohawk's new RevWood Plus addition, Antique Craft. The five time-worn hardwood looks come in trending soft brown and gray tones.

The collection's embossed in register texture and GenuEdge pressed bevels add to the hardwood realism, and the 9-7/16" x 80-1/2" format appeals to homeowners and designers who prefer longer, wider planks.

RevWood Plus waterproof technology gives you floors that you can wet-mop, protects your new flooring from day-to-day spills and covers all pet accidents and scratches. You'll have complete peace of mind with our All Pet Plus warranty and a limited lifetime moisture warranty. Antique Craft is proudly made in the USA.
