- Core Curriculum if required
- Hours required over the track are made up of life/work/ministry (LWMT) credits, prerequisites and electives.

b. Required Track Courses:

TH-7004 – Eschatology I – (Sections 1-4)

A core text for continuing systematic theology focusing on the person and work of the Holy Spirit, the Christian life, the church and last things.

TH-7014 – Historic Christianity

A course that details the historical growth of the Christian church from 5 B.C. to the 20th century. All of the prominent church bodies and characters are studied. The text includes maps, charts, pictures and enlarged bibliographies.

TH-7044 – Evangelistic Theology

The student will become familiar with the various elements of contemporary Theology, especially as it applies to evangelism. The learner will be able to transfer these findings into practical and relevant terms that can be applied and taught to others in understandable categories.

TH-7054 – Old Testament Theology II

The course's approach involves an intensive interchange with international scholarship, including Jewish biblical studies, and emphasis on the question of the canon. Important themes of Old Testament theology are

developed, among them revelation and history, creation and salvation history, covenant, and paradigms of exegesis.
