b. Required Track Courses:

ED-7314 – Teaching for Results in Christian Education

Dr. Edge, the author of the test for this course, says that Bible teachers' success lies in their ability to establish and achieve teaching goals. This course is a classic resource for ministers of education and Sunday school teachers.

ED-7334 – Developing Christian Counseling Strategy

The student will review a whole range of opinions concerning the place of counseling in the local church. While acquiring a knowledge base for the development of a counseling stratagem in his/her own church, the student will become familiar with the practices and the techniques of training others.

ED-7344 – The Effective Minister of Education

This course contains essential information for those preparing to serve as a director of education. It discusses the calling, the qualifications, the roles, the responsibilities and the rewards of Christian Education.

ED-7394 – Directing Christian Education

This course for church educators gives a biblical foundation for jobs in Christian education as well as specific suggestions to get church education program in tiptop shape.

ED-73104 – Progressive Christian Leadership

This course for church leaders focuses on the relationships, structures, and processes common to the religious congregation. The emphasis is on transforming people through the identification and maximization of effective processes within.
