

Processing and Farm Technician

- HOURS:** *Full Time*
- LOCATION:** Icy Waters Ltd, Whitehorse, Yukon, Canada
- START DATE:** **January 2018**
- WAGE:** **\$14 - \$16 per hour, dependent upon experience**

Icy Waters Ltd. is an aquaculture company dedicated to the development, growth, processing, and sale of premium Arctic Charr and “Yukon Gold” Arctic Charr ova. The 25 + year old Canadian company believes that all employees be directly involved in production from “egg to plate”.

We are seeking applicants for full time, year around employment covering all areas of the business. Majority of the hours will be allocated to the Processing Plant, with task assignments in the Hatchery and Tank Farm on lighter processing days.

Highlighted Responsibilities:

- Harvesting fish for daily processing
- Operating processing machinery
- Careful hand cutting
- Quality Control inspections to ensure all company standards are achieved
- Sorting and grading fish within appropriate size categories
- Tank Farm and Hatchery chores of feeding, monitoring, and handling fish, when not in the Plant
- Participate in after hours alarm rotation
- Comply with all regulatory and company procedures
- Cleaning of the Plant and of all areas associated with processed product

The qualities and skills preferred include:

- Background or experience in processing, quality control or aquaculture is an asset
- Work effectively in a fast-paced environment, sometimes under time constraints
- Physically fit to stand, lift, carry, net, do repetitive work in cold, wet environment, indoors and outdoors.
- Aptitude to operate processing equipment
- Good communication in English and good interpersonal skills
- Self-starter - able to work independently
- Attention to detail
- Computer experience with Excel, Word, and email
- Ability to respond to alarms
- Valid Driver’s license
- Able to work in Canada

A criminal record check must be provided before the first day of work and a further security check will be required after hire.

We thank all applicants, but IWL will only contact those being considered.
