

BENEFIT *buzz*

Are you being told you are not insured?

Did you recently have a visit with a provider (i.e., doctor, urgent care, etc.) and were told you are not insured? We have received several calls from participants that were told this when they went to their doctor, particularly Mercy and BJC providers.

We have found that providers are confusing our group with the UnitedHealthcare Commercial Group; therefore, they are verifying eligibility under the wrong plan. We are NOT part of the commercial plan; we are a UnitedHealthcare Shared Service Group. If this happens to you, please ask your provider to look at the back of your insurance card.

There are two ways providers can verify eligibility...

- 1) Call (888) 830-0179
- 2) Visit the website, uhss.umar.com

This information is also listed on the back (see below) of your insurance card. Keep in mind, this only applies to the participants covered under the Active or Non-Medicare group.

In case you missed it...

Last month, we discussed why your prescriptions could be denied at the pharmacy. Below are some of the reasons that this could happen.

Have you returned your yearly Coordination of Benefits (COB) form?

If you have recently gone to the pharmacy and you were told you have other insurance coverage, but you don't, this usually means that we are needing a COB form. This form is mailed to the member every year during their birthday month.

The reason for this form is to see if anyone in the family has other insurance coverage that could be primary over the Laborers'. **Even if no one in your family has other coverage, the form must be completed and signed every year.** Keep in mind, any dependents who are 18 years or older will have an Adult Child Coordination of Benefits (ACOB) form to complete and sign.

If your birthday has already passed and you have not filled out this form, call the [Benefit Office](#) at (314) 644-2777 ext. 2 to have a form mailed to you. You can also access the form(s) online by visiting stllaborers.com.

Note: This form only pertains to the Active and Non-Medicare Retiree members.

Have you seen Buzz?

Guess who wants to play hide and seek? Buzz, is hiding in three places throughout the newsletter. Keep in mind, Baby Buzz will be a smaller version of Buzz that is on the front page.

Once you find all three, send us an email at benefits@stllaborers.com and tell us everywhere baby Buzz was hiding! You can also circle them in the newsletter and mail the newsletter to our office. At the end of April, we will put all the entries in a drawing to win a \$25 gift card.

GOOD LUCK!
