PRIVATE EVENTS AT THE BREWERY

Thank you for your interest in hosting your private event at La Quinta Brewing Co. Enclosed you will find detailed information regarding capacity, set-up, menu & beverage options and more. After review of the enclosed materials and if you remain interested in a tour of the facility and/or are interested in requesting a reservation, please contact our office at (760) 200-2597.

All events requiring reserved space will be hosted in our private event space overlooking the brewery production area. The room is nearly 1,000 square feet of open space located adjacent to our taproom/restaurant. It is a casually furnished space designed to engage the craft beer patron with a full view of the operating brewery. A convenient large, glass roll up access door can be closed to ensure privacy with an entrance door allowing continued access to the taproom. In addition to nine wood picnic tables, the room features a 20 foot rail where patrons can sit watch the brewing process in action.

NOTE: Because the private event space is located in the warehouse production zone, it is not equipped with a standard HVAC cooling system. It is instead equipped with six evaporative cooling units designed to keep the temperature of the area approximately 25 degrees cooler than outside temperatures. All prospective clients should take this important factor into account when considering our facility for their private event.

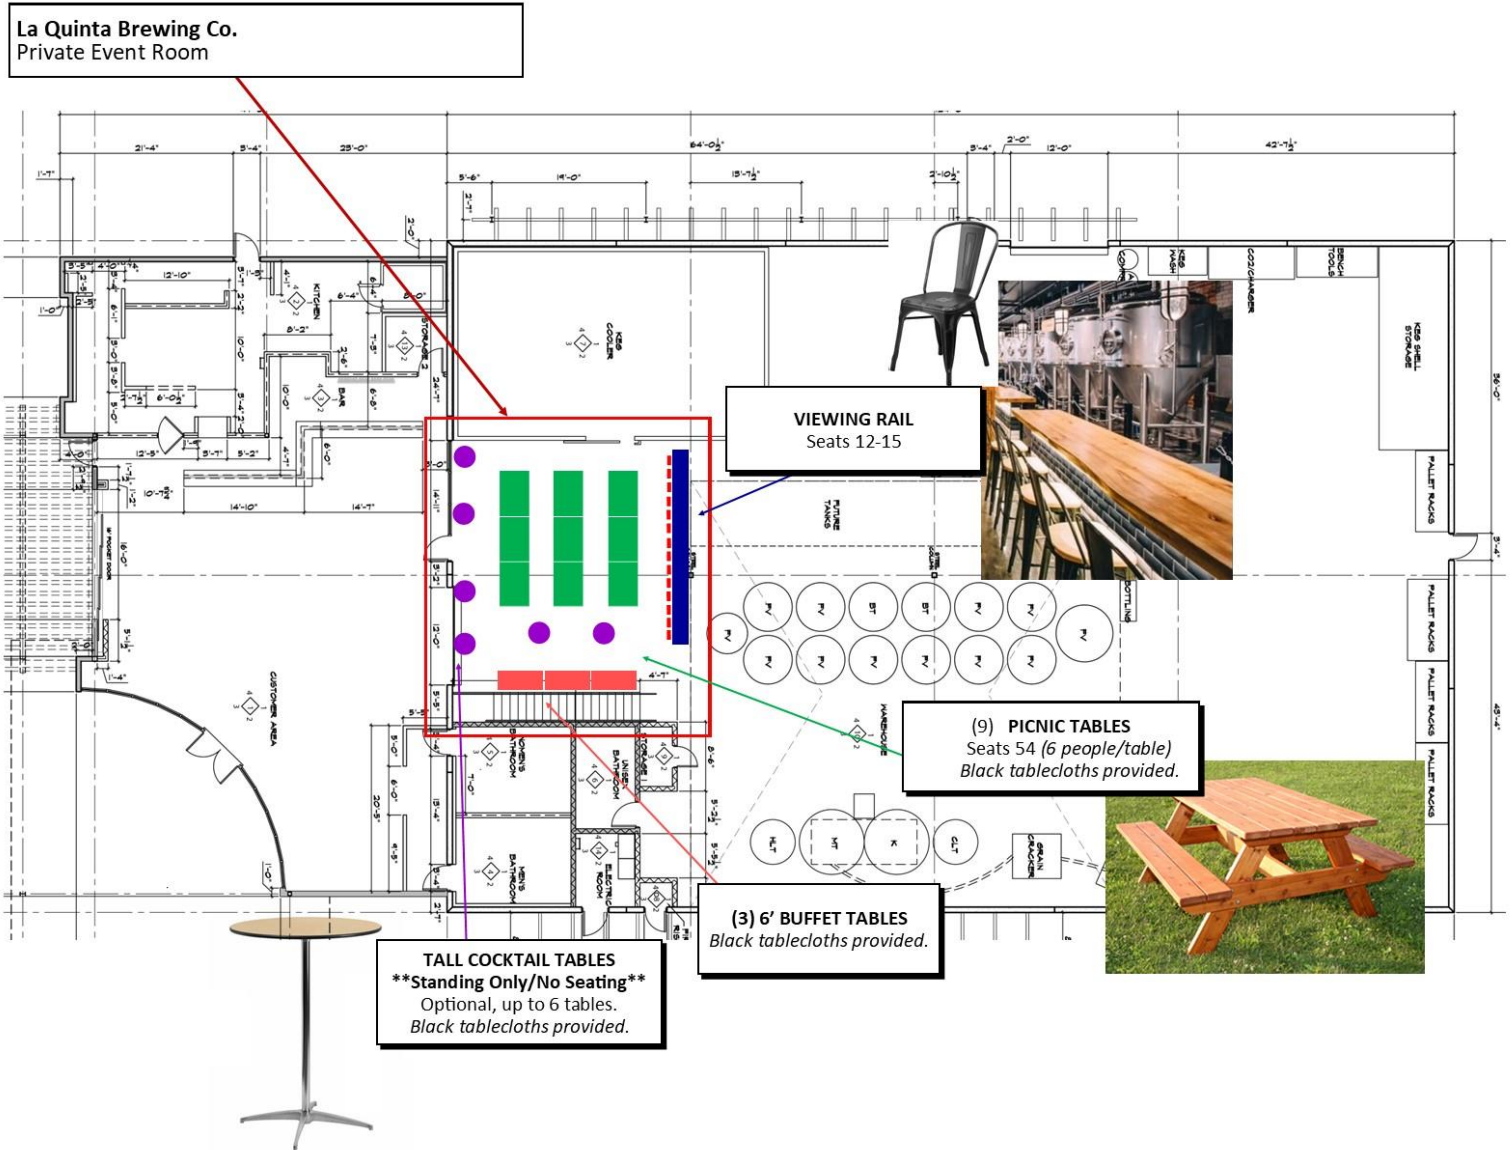

Total capacity for the room is approximately 70.
Seating includes 12-15 person "rail seating" plus nine, 6-person picnic tables.
