

Texas Association of Builders  
**ZOOM AT NOON EDUCATION SERIES, 2020**

**OCTOBER 13 / 12:00 – 1:00 PM**

**“Navigating the New World”**

This session will not focus on the pandemic, but will provide you with information on the economic implications of what we have experienced and what we can realistically expect as we recover from the year's events and move forward. In the post-coronavirus (COVID-19) world, fluctuations in the economy, and the upcoming elections make this an unprecedented time in the United States and the impact these issues may have on the Texas building industry. Our (panel of) expert(s) will bring their insight into what we might expect through 2020 and into 2021.
