Seafarer (Can)

Three Weavers Brewing, Inglewood, California *6 miles away*
Kölsch Style, poured a clear yellow with white head that left some lace. The scent has a biscuit tone. Nicely balanced and easy to drink. The bread base made this beer good. The Mouthfeel was lighter in body with good carbonation.
ABV: 4.8% 6.5

Maharaja (Can)

Avery Brewing Company, Colorado

American Double / Imperial IPA
This imperial IPA is regal, intense and mighty. With hops and malts as his servants, he rules both with a heavy hand. The Maharaja flaunts his authority over a deranged amount of hops: tangy, vibrant and pungent along with an insane amount of malted barley – fashioning a dark amber hue and exquisite malt essence. Welcome to his kingdom. Rated 95 world-class ABV: 10.2% 7.5

Sea Quench Ale (Can)

Dogfish Head Craft Brewery, Delaware
With lime peel, black lime and sea salt. It's a citrusy-tart union of three German styles of beer. Lots of wheat and Munich Malt, a salty Gose with black limes, coriander and our sea salt. They follow with a citrusy-tart Berlinerweiss made with lime juice and lime peel. All three sea beers are then blended together in the fermentation tank to create this German hybrid. ABV: 4.9% 7
