

SB1 Workshop

PART 6
TIMELY USE OF FUNDS

PRESENTED BY JAIME ESPINOZA
CHIEF, OFFICE OF STATE PROGRAMS

November 2018

TIMELY USE OF FUNDS OVERVIEW
STIP – ATP – SB1
(LPP, TCEP, SCCP)

Today's Goal?

Understanding:

- Timely Use of Funds (TUF) Purpose
- Time Extension Request Process
- Submittal Timelines
- Extension Request Quality
- Delay Drivers by Phase
- Information Resources/Tools

3

What Programs do TUF rules apply to?

- State Transportation Improvement Program (STIP)
- Active Transportation Program (ATP)
- Local Partnership Program (LPP)
- Trade Corridors Enhancement Program (TCEP)
- Solutions for Congested Corridors (SCCP)

4

Timely Use of Funds

Established by Statute:

- For STIP, SB 45, Section 622 and Section 66 of the CTC STIP Guidelines
- ATP and SB1 Programs modeled after the STIP and have similar guidelines and TUF rules

Intention is to encourage local agencies to accurately program, monitor and deliver projects in a timely manner

5

What are the TUF Deadlines?

- **Allocations** - Funds must be allocated by CTC in the year programmed. (PA&ED, PS&E, RW, & CON)
- **Expenditure** - Project development-phase expenditures must occur by end of 2nd State FY following year of allocation (PA&ED, PS&E, & RW)
- **Contract Award** - Projects must be awarded within 6 months from construction allocation
- **Project Completion** - Project must be completed within 36 months of the award

6

Consequences of Not Receiving an Extension

Implementing Agencies that do not request an extension are at risk as follows:

- For Allocations: Funds lapse and particular phase will no longer be eligible for funding.
- For Expenditures: Only expenses incurred up to deadline are eligible for invoicing. Activities beyond deadline will no longer be eligible for reimbursement.
- For Contract Award: Construction funds lapse and no longer eligible for funding.
- For Project Completion: Only expenses occurred up to the deadline are eligible for invoicing. Activities beyond deadline will no longer be eligible for reimbursement.

Time Extension Request Forms

Forms

- STIP – 23B
- ATP – 22B
- SB1 – Pending

New Dynamic Time Extension Form being developed to replace 22B & 23B.

For projects with funding from multiple programs subject to TUFs, the program with the more restrictive deadline governs.

What Happens When You Need A Time Extension Request?

Complete a Time Extension Request Form

- Provide justification supporting the amount of time being requested
- Work with District Local Assistance staff

Review, revise and check for completeness

- Work with District Local Assistance to correct deficiencies

Local Agencies can view the agenda items prior to the CTC meeting at: <http://www.dot.ca.gov/hq/transprog/ctcliason.htm>

Good Example!

E. Reason for project delay

The construction funds for project ATPL-5006 (800) are currently programmed for FY 2015-16. The City has not yet obtained the required National Environmental Policy Act (NEPA) Clearance for this project and as such, is requesting a 12 month construction allocation extension. This extension is necessary to provide the necessary time to obtain the necessary environmental clearance, and subsequently enable the City to finalize all design plans and process the Right of Way Certification (both of which are dependent on final NEPA clearances), in order to process CTC construction allocation paperwork.

Background

On April 23, 2015, the City submitted the Preliminary Environmental Studies (PES) form to Caltrans, with a recommended Categorical Exclusion without Technical Studies determination. Caltrans did not agree with our recommended determination and as such, on October 28, 2015, required the City submit the following technical studies:

1. Air quality report for a Conformity Finding (23 USC 326 CE)
2. Air quality report for PM₁₀/PM_{2.5} Interagency Consultation
3. Section 4(f) Historic Properties
4. Cultural Resources Studies including : APE Map, HPSR/HRRER

The City has already complied with the Air Quality requirements identified in items # 1 and #2 above.

The City and its consultant (AECOM) have been in constant communication with Caltrans' environmental planning group for the past 7 months to address all outstanding issues associated with items #3 and #4 above. The City and Caltrans have recently agreed to the following target dates to ensure timely completion of these studies:

- Reports at 75% completion by 2/12/16 (Completed)
- 8 properties being evaluated; exempted over 40 properties; AECOM can send over to Caltrans the accepted property matrix for preliminary approval (Completed)
- AECOM to submit reports to City by 2/26/16 (Completed)
- City to review and submit comments back 2/26/16 (Completed)
- AECOM to submit to Caltrans by 3/1/16 (Completed)
- Caltrans comments on reports by 4/1/16 (30 days) (Completed)
- AECOM to re-submit by 4/8/16 (Submitted on 4/15/16)
- Caltrans approves final draft reports on 4/15/16 (Completed)
- AECOM to submit 5 signed hard copies of report, each with a CD of the PDF copy by 4/25/16 (completed)
- Caltrans send reports to SHPO for concurrence on evaluations 4/29/16
- SHPO Review 30 days - 5/29/16 (further SHPO review requirements uncertain until concurrence is received) (in progress)
- As SHPO reviews the reports, AECOM to prepare Finding of Effect (FOE), pending verification from Caltrans if an FOE is required, by 5/15/16
- Caltrans to review FOE and provide comments to AECOM by 6/15/16
- AECOM revises FOE to address Caltrans comments and re-submits to Caltrans by 6/30/16
- Caltrans accepts FOE and AECOM submits hard copies to Caltrans - 7/5/16
- Caltrans submits approved FOE to SHPO (maximum 30-day SHPO review) by 7/6/16
- Final SHPO Clearance of FOE by 8/31/16

The City had originally anticipated moving into the Final Design Phase of the project in July 2015, or immediately upon issuance of the Environmental Clearance. Due to the additional technical studies required, and a revised target date of approximately end of August 2016 (assuming SHPO concurs and approves the reports and FOE in a timely manner), we are hereby requesting a 12 month extension to June 30, 2017 to allow for the completion of PAED, FOE and Right of Way, and obtain allocation of construction funds.

Who Approves The Extension?

- Only the CTC can approve or deny time extension requests
- Local Agencies are urged to attend the CTC meeting to defend their extension requests
- Extension requests are NOT automatic nor guaranteed!

16

How Do You Know If Your Extension Was Approved?

- Watch the CTC Meeting live on Webcast
- Check the CTC Liaison's website for the Action Taken Report (posted a week after meeting)
 - www.dot.ca.gov/hq/transprog/ctcliaison.htm Action Taken Report
 - Local Assistance CTC Liaison emails to DLAEs after CTC Debriefing meetings
- HQ Program Analysts will generate an extension letter. Signed copy will be sent to local agencies via the DLAE's.
