ORDER FORM PAGE #2 (May, 2016)

Disassembly Instructions: For proper processing, complete detail disassembly of all parts to be processed is required. Remove all pins, screws, springs, firing pin, Etc. Inspect all parts to be processed. Replace all defective parts prior to shipment. Verify that all plastic or rubber parts have been removed and retained, as they may be destroyed by heat during processing. Polymer frames and stocks may be processed. **(Be sure to verify that the sights are not plastic.)** All parts that you do not wish to have processed should be retained. Inventory the parts being shipped and specify on the inventory list provided. Place loose parts in a zip lock bag and seal.

Payment and Shipping Instructions: Check the applicable process fees from the list on order form. Made check payable to Top-Gun Enterprises Inc. (A fee of \$50.00 will be charged for any returned checks) Shipping and handling will be 25.00 per gun. Retain a copy of this form and copy of payment for your records. Forward the original form payment and parts to the address on the order form. Unless otherwise requested, return shipment will be UPS Ground.

Disassembly Services: For guns to be disassembled at Top-Gun, a local gunsmith will be contracted to detail disassemble and assemble the weapon. It will be detail disassembled and reassembled, Some long gun trigger groups may not be processed due to the complexity and criticality of the assembly. except the trigger group for long guns which will be removed and replaced without processing. During disassembly, the gunsmith may identify defective parts, which may require replacement. You will be contacted to discuss replacement part options and cost. Lead time for replacement parts will add to the total process time. Payment for the replacement parts is not included in the disassembly prices. Replacement parts coast plus tax will be required, prior to the return of the gun.

Turn Around: For processing only, parts are normally returned within two weeks after receipt of parts. If replacement parts are required, the schedule will be pushed out until the parts are received. For guns where disassemble and assembly is required, a turnaround of three weeks is typical.

Warranty: Top-Gun Enterprises, Inc. has a prorated five year limited warranty. Part may be returned to Top-Gun within the warranty period and reprocessed at the reduced rate based on the current retail price, plus disassembly/assembly fees. Up to 1 year 75% off, 1-3 years 50% off, 3-5 years 25% off. Call for return authorization number prior to returning parts for warranty. **Proof of initial processing is required.**
