

Fall Flower Bulbs

180+ Unique
Varieties for
2023-24

Fall 2023

Table of Contents

- Amaryllis 2
- Tulips 3
- Daffodils & Narcissus 12
- Hyacinths 15
- Other Bulbs 16
- Power Planter 17

A note about flower height and bloom time

Flower Height

Choose tall varieties for the back of the bed and plant short ones in front. Or you can interplant tall and short varieties for two layers of color.

Actual flower height may be influenced by local springtime temperatures and the amount of sunshine.

Spring Blooming Time

Flowerbulbs can bring your landscape up to three months of springtime color. Plan for a sequence of bloom over many weeks or choose varieties which bloom at the same time for a great show of color.

Actual bloom dates will vary with each geographical region and may also be affected by the planting date of the bulbs and local weather conditions.

WHY DIG WHEN YOU CAN DRILL?

TOOLS

Do-It-All Tree, Shrub & Termite Auger
 2"x24" with 1/2" Hex
 2"x48" with 1/2" Hex
 5/8" steel shaft with 1/2" Hex. Digs 23" deep. Perfect for bareroot trees/shrub saplings and several other digging/installation projects.

Bedding Plant Tool & Bulb Auger
 3"x7" with 3/8" Hex
 5/8" steel shaft with 3/8" Hex. Digs up to 6" deep. Perfect for planting small bulbs and 3-4" potted and bedding plants.

DIY Guru Bulb Auger
 3"x12" with 3/8" Hex
 5/8" steel shaft with 3/8" Hex. Digs up to 11" deep. Perfect for most household projects, including planting, mixing paints and more.

Extended Length Bulb Auger
 3"x24" with 1/2" Hex
 3"x30" with 1/2" Hex
 5/8" steel shaft with 1/2" Hex. Digs 23" deep. Perfect for small bulbs, 3" potted plants and several other digging/installation projects.

Extended Length Bulb Auger
 3"x24" with HD Tip
PROFESSIONAL GRADE
 5/8" steel shaft with HD Tip. Digs 23" deep. Perfect for mass commercial jobs and hard/less suitable conditions.

Large Bulb Auger
 4"x28" with 1/2" Hex
 4"x48" with 1/2" Hex
 1" steel shaft with 1/2" Hex. Digs up to 26" deep. Perfect for large bulbs and 4"-5" potted and bedding plants.

Quart Pot Plant Auger
 4"x28" with HD Replacement Parts
PROFESSIONAL GRADE
 1" steel shaft with HD Tube. Digs up to 26" deep. Perfect mass commercial jobs and hard/less suitable conditions.

Gallon Pot & Posthole Auger
 7"x28" with 1/2" Hex
 1.25" steel shaft with 1/2" Hex. Digs up to 26" deep. Perfect for gallon potted plants, shrubs and 4"x4" posthole digging.

Gallon Pot & Posthole Auger
 7"x28" with HD Replacement Parts
PROFESSIONAL GRADE
 1.25" steel shaft. Digs up to 26" deep. Perfect mass commercial jobs and hard/less suitable conditions.

Extra Large Earth Auger
 9"x28" with HD Replacement Parts
 8"x 28" with HD Replacement parts
PROFESSIONAL GRADE
 1.25" steel shaft with HD Tube. Digs up to 26" deep. Perfect for three gallon potted plants and 6"x6" posthole digging.

Ultimate Professional Landscaper Kit

This special combination includes a complete DeWALT 60V kit, a set of 3 heavy duty augers and 2 additional backup batteries

- 3" x 24"
- 5" x 28"
- 7" x 28"
