

Grapevine Fire Department

Fire Prevention Division

PERMIT APPLICATION FOR EXHIBIT COOKING AND/OR HEAT PRODUCING DEVICE

(Other than candles; a separate permit application is available for candle use.)

Any device that produces an open flame, has an operating temperature of 500 degrees or greater used for keeping food warm, any appliance that produces a grease-laden vapor, and any deep fat fryer must be approved by the Grapevine Fire Marshal prior to being used in any exhibit or event.

This form must be completed and submitted to the Grapevine Fire Marshal's office no less than 14 days prior to the event. All appliances shall be Underwriter's Laboratory Listed or approved by another acceptable testing agency.

All appliances or activities that produce a grease-laden vapor must also include an approved ventilation system routed to the outside of the building, or the system must be equipped with filtering system that is UL listed to remove grease-laden vapors. **NOTE:** Deep fat fryers must also be equipped with an automatic fire extinguishing system in addition to the ventilation hood.

A 40BC rated fire extinguisher is required within 30 feet of any permitted appliance. A copy of a specification sheet or other product description documentation must be provided for each appliance.
