### CODE FORMAT

<p><b>Code Decipher Explanation:</b> (Alternatively, provide your code decipher file) (Please Indicate if Lot Code is production date or expiration date.)</p>	<p>Retail items including Club stores shall be an <b>open code date</b> and Specialty Channel owned products (e.g., Food Away From Home) shall be a <b>closed code date</b>. Kellogg and Specialty Channels closed code date format: PPMDDYSL  Example: Product produced in Seelyville on July 18, 2013 on Line 2, B shift with an eight (8) month expiration would show the following code date: CM03154B2  Corrugated cases shall be a closed code date format.</p> <p>Date, facility, and shift designation are mandatory. All other information indicated in the code is at the facility's discretion.</p> <p>Format: Open code date (except wrapper and case)  Wrapper, if applicable: PPMDDYSLW  Retail Package (Carton/Bag): MMMDDYY_PPSLC_TT:TT  Case: PPMDDYSL  or  PPMDDYSL_TT:TT</p> <p style="text-align: right;">or</p> <p style="text-align: center;">PPMDDYSL_NNN</p>
------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

<p>NOTE: Time (TT:TT in military/24 hour time), consecutive case number (NNN), wrapper code (W – single digit numeric), and cartoner code (C – single digit numeric) are optional as noted above, but should be used if equipment capability allows.</p> <p>Example: For Famous Amos cookies made in Louisville on 1st shift, Line 1, wrapper 2, cartoner 1, at 5:00 pm with an August 21, 2006 open code date, the various packages would show the following code dates.</p> <p>Wrapper: X08216A32  Carton/Bag: AUG2106 XA31 17:00  Case: X08216A3</p> <p style="text-align: right;">or  X08216A3 17:00  or  X08216A3 586</p>
