

NUTRITION SERVICES

School Year 2021-2022

**Purchasing Snacks/Ala Carte Sales, Extra Entrees (“Seconds”), & Negative Balance
Please Advise Nutrition Services if you DO NOT want your child to participate in any of
these purchasing options.**

Our goal in DCSD Nutrition Services is to serve great food to your great kids!

- We have an Elementary program your children may know as “**Seconds**”...If your child wants an additional entrée they may pay the additional price of \$1.75 for a second entrée serving. Pricing may vary at Charter Schools.
- We have an Elementary program your children may know as “**Snack or Ala Carte Sales**”...If your child wants to purchase an additional Snack item or an A la Carte Sales item (including milk) they may pay the additional price of \$.50 to \$2.50 for an item.
- Our Elementary program allows students to purchase a meal (not snacks or ala carte) if their balance is low which may put their account below zero giving it a negative balance.

We have found that some parents do not desire to have their child participate in purchasing extra food or incurring a negative account balance for health or financial reasons.

If you DO NOT want your child to have extra food and/or create a negative balance (charging) on their account, for faster results, complete the online form on the MySchoolBucks.com's Parent Welcome page. Just click on the BLUE link “[Click here to request purchasing restrictions be added to your student’s lunch account.](#)”, OR please complete the form below and return to DCSD Nutrition Services.
