

ALI MORRISON

Senior Executive Assistant

Leonardo DRS Electro-Optical Infrared Systems

Ali Morrison started her career with Leonardo DRS in December 2003 in the machine shop as a coordinator where she developed process plans and managed all maintenance tickets for the facilities department. In March 2011 Ali transitioned to the Configuration Management department as a Data Management Analyst. After 7 years Ali was ready for a change and started her current role as Senior Executive Assistant to the Vice President and General Manager, Jerry Hathaway.

In addition to her executive support responsibilities, Ali also serves as the Event Coordinator for the EOIS line of business, organizing meetings, employee events, and special functions. Throughout her tenure, Ali has provided comprehensive executive support and has been responsible for managing daily office operations, executive calendars, and complex travel arrangements.

Ali holds a bachelor's degree in business administration from Barry University.
