### **Felicia Campbell**

*Greater Los Angeles Chapter  
Association of the United States Army*

Ms. Campbell currently works as a senior manager of strategic engagement for the Space and Advanced ISR business unit at Leonardo DRS (LDRS).

Prior to moving to LDRS she was an analyst in The Boeing Company's Integrated Defense Advanced Systems (IDeAS) division. In this role, she worked with the business development organization evaluating customer requirements and providing support to the vice president of IDeAS Joint Programs.

Ms. Campbell spent the first 18 years of her defense industry career in strategic communications. She was part of the Future Combat Systems (FCS) pursuit and Concept and Technology Development phase team – including several months spent embedded in the Strategic Communications office of the Objective Force Task Force office as the Lead Systems Integrator representative of FCS. Working closely with the FCS Army communications team, she helped to shape the highly successful Milestone B Strategic Communications Plan.

She majored in journalism and spent several years as a newspaper reporter before moving to the defense industry.

Over her 30 years with the Greater Los Angeles Chapter of the Association of the United States Army (GLAC AUSA), she has helped to initiate several programs that support local Soldiers and their families. *Adopt A Family* provided grocery cards and gifts to Army families that could use a bit of extra help at the holidays, over the life of the program hundreds of families have been “adopted.” “*Give a Soldier a Night Out*” provides the opportunity for local enlisted and junior officers to attend the annual Army Birthday Ball gala, each year close to 400 seats are donated.

She also leads the chapter's annual *Space: Enabling Multi-Domain Operations* symposium.

Ms. Campbell has held a variety of Executive Committee positions during her time with GLAC AUSA.

Her honors include AUSA National's *Anthony Drexell Biddle Medal* for recognition of her work on behalf of AUSA. She was awarded the Army *Outstanding Civilian Service Medal* for her efforts on behalf of Soldiers, Veterans and their families in Southern California.

She is the proud aunt of Sergeant Katie Felicia Campbell, formerly of the 101<sup>st</sup> Airborne (and a veteran of OIF1) and CPL Keith Campbell, formerly with the USMC 1-5, also a veteran of OIF.

Home for Ms. Campbell is a vintage 1920s cottage in Fullerton, California where she and her two cats enjoy gardening, cooking and lots of entertaining.
