Examples of outstanding public service by LIUNA Federal Employees

- **LIUNA L. 29F** Army Corps of Engineers represents emergency responders who were at the World Trade Center just days after 9/11, and who helped with the Joplin tornado response.
- **LIUNA L. 1776** National Guard members were on the front lines during the Hurricane Katrina, and flooding/natural disasters in many other states. LIUNA National Guard Locals have consistently deployed in national security missions, such as those in Iraq, Afghanistan and Bosnia.
- **LIUNA L. 5251** Indian Health Service medical staff and emergency medical technicians transport patients and provide some of the only health care available in rural areas to Native American patients, provide critical health education and counseling services, as well as important health screenings and treatment for diabetes and other conditions.
- **LIUNA L. 792** members at the Presidio Trust work at a facility that was a former military base and is now a shining urban national park; these members pride themselves on knowing about the native habitat and history since they come in contact with the public on a daily basis.
- **LIUNA L. 335** employees at the Bonneville Power Administration (part of DOE) manage the largest fish and wildlife mitigation program on the planet.
- **LIUNA L. 2097** monitors, calibrates, and services electronic air safety equipment at airports around the world for the FAA.
- **LIUNA L. 572** assisted in the cleaning of NIH facilities that housed Ebola patients.
