## Coronavirus: COVID-19

**W**e recently sent out a letter along with a robocall to our Active and Non-Medicare Retirees regarding the recent Coronavirus pandemic also known as COVID-19. Below are some of the changes that were discussed.

Effective March 1, 2020, the Plan has made the following temporary changes for the Active and Non-Medicare Retiree Plan:

- COVID-19 testing will be covered at 100% when testing is medically necessary according to the guidelines of the Centers for Disease Control and Prevention (CDC).
- An initial health care visit that results in the order for testing to confirm COVID-19 will also be covered at 100%.
- Allowing early prescription refills on maintenance medications when necessary.
- Allowing coverage for telemedicine visits through your physician.

The **Benefit Office** will remain available to you by phone at 314-644-2777 and email at [benefits@stllaborers.com](mailto:benefits@stllaborers.com). We are working diligently to keep our staff safe, so the office is currently closed to walk-in visitors. If you need to drop off a form or payment, you may still do so at the door.

We encourage you to visit our website [www.stllaborers.com](http://www.stllaborers.com) for updates as we continue to monitor the COVID-19 situation.

**Please be aware, there is a reported phishing scam related to COVID-19. An account posing as a health plan reaches out to members and thanks them for enrolling in their Coronavirus Coverage. The email includes a link for the member to make a payment for the coverage.**

**Please note, this email is not an UHC or Optum email and members should not submit payment information.**
