EVERY BREWING 23 ANNIVERSARY - Inspired by Brabant and the goodness of its marriage of Brettanomyces fermentation and Belgian dark malts. Our house strain, Brettanomyces drier, brings loads of ripe stone fruit aromas to the mix. Brettanomyces bruxellensis lends the classic horsey and rustic aspects of a traditional wild ale, while Brettanomyces custersianus delivers massive tropical fruit essences to the flavor party. Add some beautiful, dark and robust Belgian specialty malts for caramel, chocolate and fig elements and you have this — our rendition of a Dark Farmhouse Ale. 22 oz bottle ABV 7.9% 12
