JOB DESCRIPTION:

<p>This position is part of the Terminal Services team at Fairbanks International Airport (FAI) and must be capable of performing all of the job functions listed while operating different types of cleaning machinery/equipment and working with different types of industrial cleaners in a safe and effective manner. Areas of responsibility are: the Airport Terminal (including the Administrative and US Customs offices), Airport Maintenance Facility, Equipment Warm Storage, Pilots Lounge and Air Park public use areas. Job functions in these facilities include detailed cleaning of bathroom fixtures, floors, and walls, which would include removal of bodily fluids, such as blood, urine, vomit, and feces; maintaining of large area tile and carpeted floors; cleaning of all glass, stainless steel and wood surfaces throughout the facilities; emptying all trash receptacles inside and out; maintaining the airport terminal grounds, cutting lawns, watering and weeding of flower beds; clearing terminal sidewalks of trash and other debris; seasonally removing snow and ice from walkways, as well as applying traction sand when needed. Other miscellaneous duties include setting up/breaking down of conference rooms or</p>
